ORINK

Supplying premium printer consumables

OVER 20 YEARS

One of the Leading Printing Consumable Suppliers in China.

WWW.ORINK.COM

ABOUT ORINK

Shanghai ORINK was founded in 2002 and has been a well-known global supplier of printing consumables in CHINA. ORINK has maintained a strong reputation for its ability to provide one stop purchasing experience for its worldwide client base. ORINK can provide product customization according to clients' requirements while avoiding IP disputes. As an advocate and practitioner of producing green products, ORINK has launched a full range of eco-friendly compatible toner cartridges in line with EU environmental standards WEEE, REACH and RoHS regulations. Additionally, our products have been certified by ISO9001 and ISO14001 as well as CE, STMC, POP and SVHE.

Adhering to the brand concept of "Outstanding, Innovation and Cooperation", ORINK products have been trusted and sold in more than 60 countries globally and have a strong network of exclusive brand agency resellers in more than 20 countries.

ORINK is committed to become one of the enterprises with vitality and competitiveness in the consumables industry, to develop into a long-term reliable partner for our customers.

ORINK is keeping growing, and we welcome you to join us. Grow with ORINK!

1,500,000+

Monthly output of toner cartridges

9,000,000+

Monthly output of ink cartridges

1,000+

tons of bulk ink

OUTSTANDING ★ **INNOVATION** ★ **COOPERATION**

Aiming for sustainable and long-term development, ORINK GROUP is building a 70,000m² high-tech industrial park, which will be completed in 2025.

History & Future

1996

The company was founded and began export business

2008

The monthly production of ORINK's ink cartridge factory reached 5,000,000 pieces

2019

ORINK launched new-built cartridges, complying with the regulation of EU WEEE, REACH & RoHS

2023

Orink starts the construction of a new high-tech industrial park in Zhuhai with a total area of more than 70,000m², which will be completed in 2025

2002

ORINK brand was created to cater for the expansion of oversea market

2016

ORINK set up 2 new plants in Zhuhai, the monthly capacity reached 1,000,000 pieces

2022

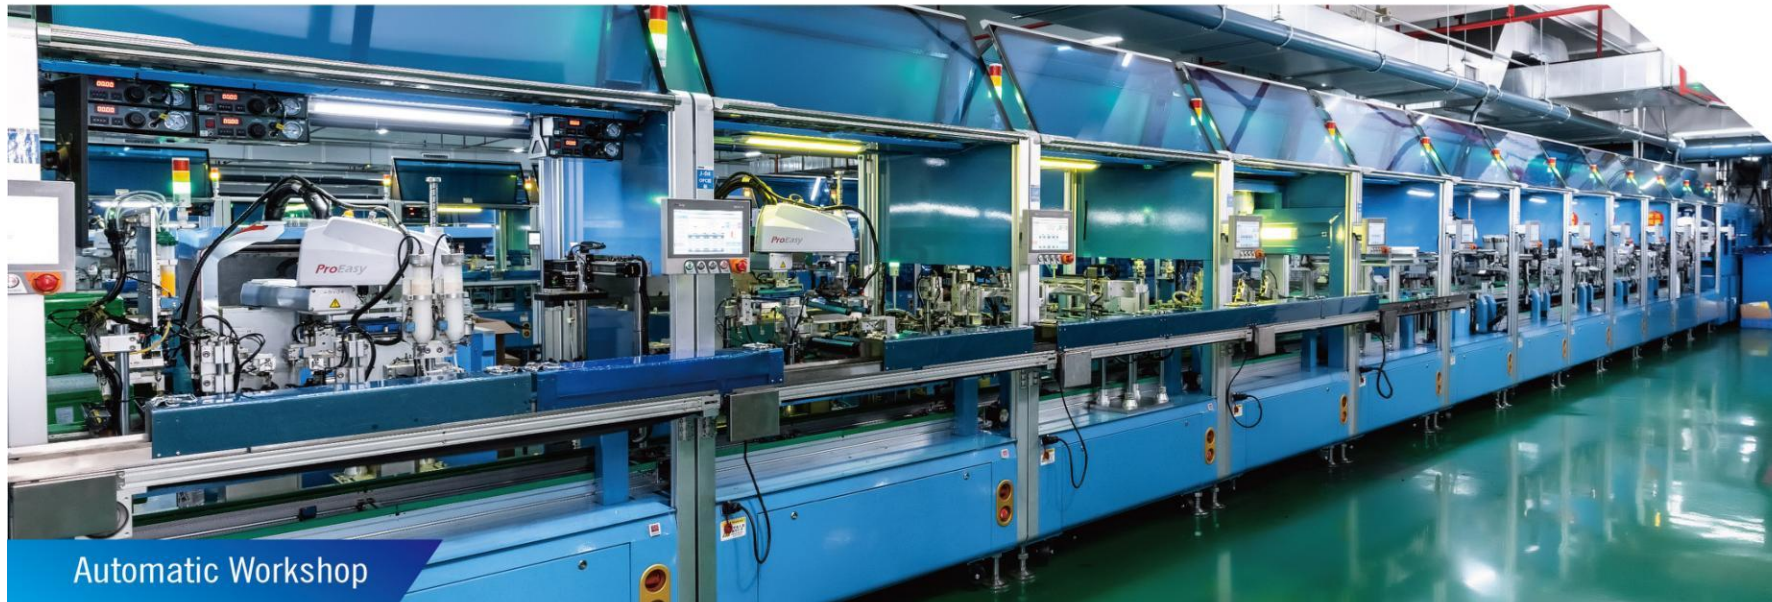

ORINK launched automatic production lines in both ink and toner cartridges

TONER CARTRIDGE FACTORY

Automated Production Process

Automatic Workshop

Over 10 automatic production lines

Fully automated assembling

High efficiency, repeatability & safety

Automatic arm assembling

Automatic screwing up

High-end automatic arm

Advanced assembly technology

Advanced inspection

Automatic Label sealing

By integrating cutting-edge technology, over 10 automatic production lines put into use, which significantly reduced production cycles, resulting in a remarkable increase in both productivity and operational efficiency.

Our factory boasts over ten state-of-the-art fully automated production lines, a testament to our commitment to efficiency and progress.

MONOCHROME TONER CARTRIDGE

LHW1490X

Page Yield : 9500

For use with :

LaserJet Pro 4002dw

LaserJet Pro MFP 4102fdw

- ✓ Clear and high-definition printing
- ✓ Fast, smooth, and efficient
- ✓ Stable and compatible
- ✓ Accurate and intelligent recognition
- ✓ Affordable and cost saving
- ✓ Premium quality with multiple certifications
- ✓ Super high blackness
- ✓ Full page yield
- ✓ Firm and fast fixing

Compatible with HP printers

INK CARTRIDGE FACTORY

Automated Production Process

Automatic shell distribution

Fully automatic ink filling

Automatic installation of accessories

Automatic chip installation

Automatic labeling

Final integral inspection

- ✓ In-house production of plastic shells
- ✓ Made of new plastic materials
- ✓ Stable, durable and eco-friendly
- ✓ Filled by automatic production lines

- ✓ Sufficient ink for whole life span
- ✓ Stable and fluent ink supply
- ✓ Self-developed chips
- ✓ Intelligent matching and fast recognition
- ✓ Precise control of ink supply

Automatic Workshop

Orink ink cartridge adopts high-quality customized ink, excellent low residue filtration characteristics, three-stage filtration technology, uniform and smooth printing, fast drying without plugging, protecting the print head and nozzle, and not damaging the machine.

INK CARTRIDGE

High-quality customized ink, excellent low residue filtration characteristics, uniform and smooth printing

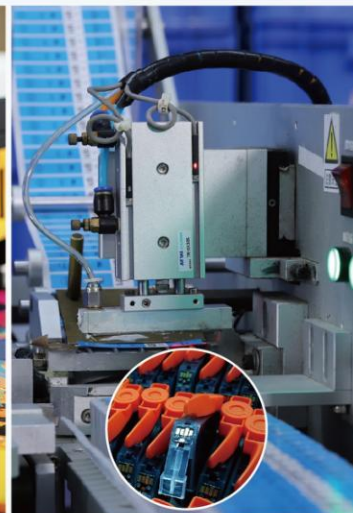

Automatic technology inking, sufficient ink, smooth and stable ink, use every drop of ink

self-developed ink, environmentally friendly and tasteless, non-toxic and harmless, safe and assured

High quality and durable, restore color picture

Every breakthrough is for a better printing experience

Compatible with Canon printers
