

Reckless

 ID Fine

Meet Reckless, our newest collection of porcelain tableware for the HoReCa industry!

The Reckless collection stands out with its stylish, modern design and striking anthracite colour. It is practical and functional at the same time. The porcelain material is scratch and stain resistant, making it perfect for everyday use in a busy restaurant or catering environment.

So why wait? Add some Reckless to your tabletop today and see the difference it can make in your food presentations!
