WITH THE WORLD

PATRA proudly presents

SIAM

a new product line that takes its inspiration from
the diverse elements of Thainess to reflect the way of life
and culture of the Thai people.

The first collection from **SIAM** is crafted with alluring,
ethereal shapes and lines of jasmine flowers set in a garland,
an ancient floral handicraft used widely in Thai culture
from royal ceremonies to everyday rituals.

Historically, the ancient name for Thailand is **SIAM**.

This Trademark Logo is made up of the Thai alphabets in Sanskrit writing to form the word **SIAM**. Styled in Kranok pattern where it is inspired by transforming nature into a beautiful new pattern. Summed up with the Dangchad colour, this shade of red is Auspicious which is used at various sacred and important ceremonies and can be found in exquisite Thai art and mural works.

SAMRUB SET

Inspired by the traditional Thai way of dining where people sit on the floor and eat from raised trays and containers. Commonly found in the northeast and the north, khantoke in Chiang Mai is the most notable due to the intricate rattan weaving and delicate gold lacquer. Individual courses are placed in each container in the samrub, an elegance that makes the meal even more visually attractive.
