THE
OLPHA CTORY

AMBIENTAIR
COLLECTIONS

It can be a nice container. The sinuous curves of the bottle. Maybe our favorite aroma. Often the combination of all that is what makes the product exceptional, one of those things that we want to keep forever. One of those things that make us fall in love at first sight.

THE OLPHACTORY

The Olphactory is the embodiment of a relaxed lifestyle. Its simple and beautiful design reminds us how important disconnection and comfort are. A collection of fragrances ready to create a well-being environment that allows us to enjoy even more our home privacy. This collections is ready to follow a relaxed philosophy, created for mind-wandering thoughts and pause moments. These candles, perfumes and diffusers will help you enhance your positive side, and at the same time they will give the atmosphere a nice and serenity touch.

While you are enjoying a cup of coffee, feel how your home is being lifted by The Olphactory and your thoughts are renewed. Combine the products in different ways and look for the perfect balance for every moment.

FRAGRANCE DIFFUSER (250 ML. / 8.45 FL. OZ.)
THE OLPHACTORY CRAFT

Reed diffusers will give a subtle and continuous scent for weeks with no flames in the mix, so they are secure and practical. They perfume the rooms for weeks without worrying, so we can fully enjoy our moments for pause: eight fragrances without alcohol and with long-lasting formulas are diffused through natural rattan reeds.

These scented sticks contain the essence of The Olphactory: their fragrances make us value each stay, rediscovering their intimacy and comfort. Open the door of your home to this cosy minimalist trend.

FABRIC REFRESHER (500 ML. / 16.9 FL. OZ.)
THE OLPHACTORY

The perfect mist for conditioning and scenting fabrics, it also makes ironing easier and neutralizes bad scents thanks to its microparticles with anti-odour technology. Refresh your clothes, your pillows, the interior of your car and your entire home without leaving stains. Spray directly on towels, curtains, tablecloths or rugs to revitalize them and renew your environment. Applied before ironing clothes, this mist perfumes and softens the fibres.
