FANCY PAPERS Product Catalogue

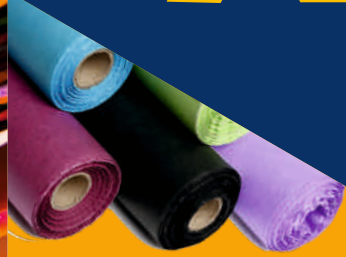

ABOUT US

The inception of Anurag Enterprises, was just a step towards a story that strove to provide premium fancy paper range to merge with diverse creative needs. Conceived in 1967, our vision has been to be at the forefront of a revolution that dipped with ideas and imagination with creativity. Today, being the country's leading premium printing and packaging paper convertors, instills in us a sense of pride. We are one of the world's finest convertors of luxury papers in the Indian and overseas market which include export in USA, UK, Middle East and Europe.

Our client list consists of approximately 900 Dealer network all over India with a turnover of 3 Million USD. Our products top the chart in the premium fine papers category and vetted by high profile designers.

We, Anurag Enterprises, having rich experience in art and craft paper converting and distribution units, have our offices and units at Agra, New Delhi and Mumbai.

INFRASTRUCTURE

We have well-established infrastructure segregated into various units required for meeting bulk production. Our manufacturing unit is equipped with all the necessary cutting, finishing and paper-converting machines. To meet the growing requirements of our customers, we have a well-defined production unit in our premises at Agra, New Delhi, and Mumbai, India.

OUR PRODUCTS

Anurag Enterprises is tugged at the right strings that led straight to the hearts of a million people by offering excellent high-quality fancy papers.

Understanding of consumer's various needs enables us to constantly meet the requirements of these designers, individual customers, corporate houses and printers. With our state-of-the-art warehouse, strong distribution network and incisive market intelligence, we have emerged as the supreme choice for high-end creative needs.
