

THE ART OF GLASSWARE
2022 PRODUCTS

PYRAMID GLASS

Pyramid Glass is one of the largest glassware production factories in Egypt. Since opening its doors in 2009, Pyramid Glass has progressed rapidly over the years to provide some of the best quality products on the international market, making it one of the global leaders in glassware.

With a 170 -ton capacity a day and 12 production lines producing over 300 different products in a growing catalogue, it has become a global force to be reckoned with. Being in Egypt, the factory occupies a strategic geographical position linking it to the markets of the Middle East, Asia, Europe and the Americas.

We pride ourselves on our well-known reputation in the industry and for being able to supply a wide variety of quality products at the most competitive prices. We hope to be able to continue serving our customers while elevating the international standard of quality and satisfaction.

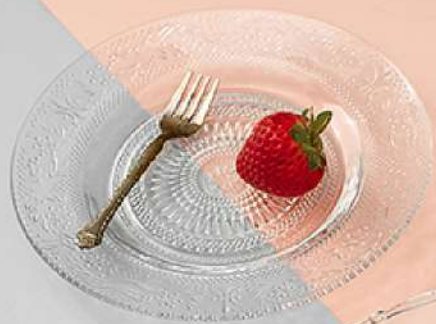

QUALITY STANDARDS

Pyramid Glass is committed to work according to worldwide professional quality standards as we have obtained (ISO 9001) Quality Management Certificate.
