The Smiling Scrubbers

The Original Scrub Daddy® makes cleaning fun. Made from our exclusive material, FlexTexture®, he becomes soft in warm water and firm in cold water. His unique foam rinses easily to resist odours. For colour-coded cleaning, we have vibrant colours and a lemon-scented version which helps to cheer up your cleanup!

Sponges, Scourers, Erasers & More

Convenient products combine materials to give users added capability.

Sponge Daddy® combines famous FlexTexture® with ResoFoam® sponge for long-lasting suds in the familiar rectangular sponge shape.

Scour Daddy® out-toughs the competition with ArmorTec™ mesh on an extra-firm FlexTexture® foam core.

Scour Daddy XL, is a new take on a fan favourite. It has a over 85% larger surface area than the Scour Daddy.

Eraser Daddy® spot cleans marks and scuffs around your home just like a traditional eraser, without wearing like one!
