

thecustomchef.com

THE CUSTOM CHEF™ produce the highest quality knives, forged with precision and bladesmith perfection. With ranges crafted from Japanese Steel inspired by traditional Japanese craftsman and samurai sword makers. Our ice-hardened German Stainless Steel has been mined in Germany since last century. Utilizing innovative designs, state of the art technology and built for professional chefs.

Join the growing list of exceptional retailers who are registering their interest to secure THE CUSTOM CHEF™ Shop in Shop Concession.
