# ABOUT US

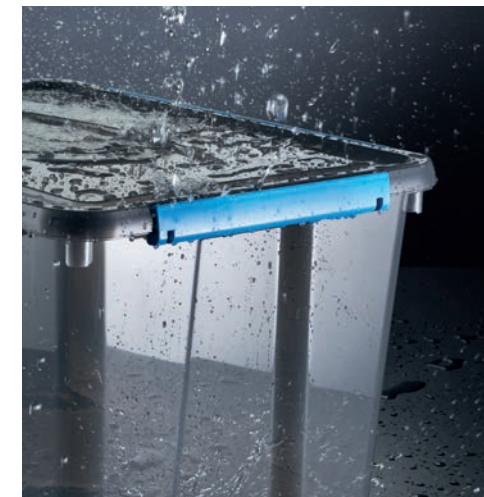

**Inabox is passionate about creating functional and stylish storage solutions for everyday living.**

Each range is carefully crafted by our in-house product design team, providing an assortment of user-friendly and affordable pieces that will inspire and organise any home or office.

Our product development teams have global relationships, ensuring we stay abreast of the latest design and innovation trends. To produce the highest quality products, we bring together the best machinery, technology and production efficiencies to bring you an outstanding offer at an affordable price.

Established in 2018, Inabox is located in Melbourne, Australia, with supporting offices in Shanghai, United Kingdom and New Zealand. We are a proud manufacturer, exporter and distributor of quality storage organisation solutions.

Throughout our operations we employ strict quality controls, ensuring our products stand the test of time and provide organisational or storage solutions for years to come.

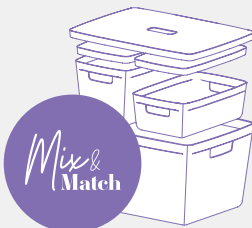

inabox

HOME

**Inabox Recycled Paper Boxes will add a touch of stylish sustainability to your home.**

Made from factory carton waste converted into paper pulp, our Recycled Paper Boxes are a versatile and reusable storage solution that minimises landfill.

**Features**

- 100% recyclable & biodegradable
- Reusable, renewable & multi-purpose
- Contemporary design

HOME

Ideal for home or office,  
Inabox Modular Drawers are  
a functional way to organise  
your space.

With three versatile designs that can be  
stacked and sorted to meet your needs,  
our Modular Drawers are the perfect  
way to store smaller household items.

Features

- Stackable design
- Holds A4 documents and other small  
household items
- Compact & contemporary design

HOME

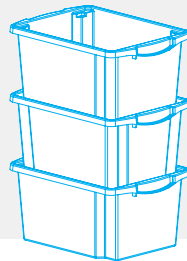

Inabox Stackable Crates are made of tough flexible plastic and are ideal for a wide variety of storage uses around the home, garden and garage.

Items are stackable without needing lids and nestable for compact storage when not in use.

Features

- Multi-purpose storage use
- Stackable & nestable
- Easy grip and lift handle
