Kasiman, Bojonegoro, East Java, Indonesia
62124

A group of five women are working in a workshop, creating handicrafts from palm leaves. They are sitting on the floor, surrounded by raw materials and finished products. The workshop is bright and airy, with large windows in the background. The women are wearing hijabs and are smiling at the camera. The text 'Grand'sHome' is overlaid on the image, with a small lamp icon replacing the apostrophe in 'Grand's'.
