

We are ATELIER DU SAVON, a natural cosmetic manufacturer located in the heart of Provence. The soap factory relies on more than 25 years of recognized know-how, local production, and natural ingredients, all with an eco-responsible ethical culture anchored in its DNA.

We produce under private labels and under our in-house brands Aqui d'Aïa (from here to somewhere else) www.aquidaia.fr & Maitre Savonitto www.maitresavonitto.fr

Aqui d'Aia, is very solar, mediterranean look and feel, premium with selective distribution. Maitre Savonitto is the rustic, twisted vintage Provence.
