

Ashish Homes

Adorning homes with comfort & art of woodcraft!

COMPANY PROFILE

Ashish Homes was established in the year 2013 at Jaipur to do the business of manufacturing and export of Indian handicrafts and artistic furniture. The organization is producing a variety of wooden and iron articles for its foreign clients. The business is promoted by Mr. Santosh Gupta, Mr. Ashish Gupta, who have more than 32 years experience into the field of wooden & iron handicrafts and furniture.

The business is established keeping view of international trade of handicrafts and furniture. The past experience of its promoters in the field will certainly help in smooth functioning and rising this business in terms of innovation, quantity, timely deliveries, services and customer satisfaction.

Ashish Homes is specialized in WOODEN KITCHEN ACCESSORIES, WROUGHT IRON FURNITURE, & HANDICRAFTS. We are manufacturing the desired products to our clients as per their designs and deliver the same to them. We are able to produce any article in wood and iron according to specified designs and dimensions. We use all chemically treated and fully seasoned wood of TEAK, ACACIA, SHEESHAM, AND MANGO.

Ashish Homes believes in laying strong foundation of the business relations with clients on their trust and satisfaction.
