ABOUT US

To win the favor of customers with “Integrity” and “Professionalism”

ABOUT US

Established in 2017, SHARINGCOPIER is a one-stop professional supplier of office supplies and printing consumables, which are jointly invested by two copier consumable manufacturers and focuses on production, research and sales.

Since its establishment, SHARINGCOPIER has always been adhering to the development concept of "Innovative Development, Customers Supremacy". The sales business is based in China, while going global. With the development of the global economy, the company has gained more and more market shares in overseas markets. SHARINGCOPIER is the core brand of Zhongshan Sharingcopier Technology Co., Ltd. which draws on the strengths of the two alliance companies. Relying on excellent product quality and good service, it has won unanimous praise of the users.

The products produced by our company are suitable for brands: XEROX-CANON-KONICA MINOLTA-RICOH-KYOCERA-TOSHIBA-SHARP-LEXMARK, etc.

Our Mission

To win the favor of customers with “Integrity” and “Professionalism”

Our Advantages

- **Professional service:** We integrate the comprehensive advantages of the four alliance companies, and introduce a large number of world-leading production technologies to ensure the high quality of office supplies.
- **Good service:** We have our own channel to recycle original empty cartridges, which can effectively reduce the waste of resources and realize the efficient recycling of office supplies. It highlights the company's social responsibility, as well as the determination to protect the environment and follow the path of green development.
- **Affordable prices:** We will maximize efficiency by integrating the advantages of alliance companies to provide more cost-effective products to our customers.

Our Vision

SHARINGCOPIER will continue to innovate technology and go beyond the perfect, through the optimized conformity of resources and amplify the advantages of the enterprise to create a high-quality international brand in the field of office supplies, therefore we can provide Higher quality products to meet more customers' needs.

In 2023, we launched the ORI-LIKE series toner cartridge, which is made of **original toner powder**. Until now, ORI-LIKE has been highly recognized by many original dealers and MPS customer groups. Our aim is to save your cost with 95% original quality.
