

Rotating Mat

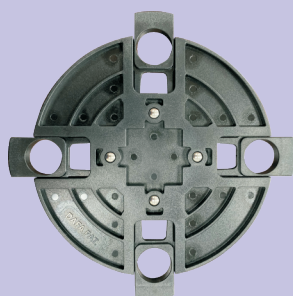

RM-08N,R

also available in square type

360°
Rotation

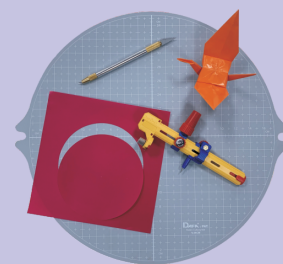

OPEN POSITION

LOCK POSITION

Rotation makes craft easier and more enjoyable.

Non-slip bastment ensures steady work.

Features

- Rotates smoother than previous type, thanks to stainless steel beads.
- Simple open-lock structure makes operation easier than ever, open to rotate, lock to stationary.
- The base mat is designed to prevent slipping and will not rotate with the upper mat.
- For the convenience of cutting papers, the mat has angular and graphic lines for very detailed results.
