

Water Lily®

WATERCOLOR SERIES

Water Lily® water color brush collection, is the newest techno-synthetic addition to the Dynasty brush family. This sustainable cruelty free brush series offers a unique combination of synthetic fibers that has a large capacity to hold pigment and release at a controlled rate. A robust belly with soft spring; smooth snap and crisp point, it is a perfect tool for traditional watercolor, inking and art journaling.

Check out our new 36 pocket display assortment, featuring larger sizes and giving you more inventory in the same foot print! Available in display assortments, open stock and sets.
