FACE & BODY PAINT

Australian owned and made, this non-toxic paint has been designed as a drama and theatre paint and wherever face and/or body painting is required. Our face paint range is full of bright, vibrant colours with superior coverage, that dries quickly and washes off easily in warm soapy water.

Derivan Face Paint Range is available in **10 brilliant Standard** colours; **6 Fluorescent** colours; **3 Metallic** colours in 40ml & 250ml sizes. Complementing the range is a selection of 12 Face & Body Paint Glitters packaged in 36ml squeeze bottles.

FACE & BODY PAINT MARKER

Face & Body Paint Markers are available in a range of basic colours, that includes red, yellow, blue, green, pink, white and black. They are water based and completely non-toxic. Each pen has dual tips. One is a chisel tip, which is flat, and it's good for covering larger areas. The other is a bullet tip, perfect for outlining that butterfly or adding those cat whiskers! They also dry quickly, which is handy if you are working with small and restless subjects.
