PonART Troya 2006 Starter's Set

8 oil colors in 37ml tubes, linseed oil varnish 100ml, odorless turpentine 100ml, 258 series brush, in poplar tree contra box

314 - Patina
500ml - 100 ml

Can be mixed with oil-colors to produce antiquation of different colors. Applied with a fluff-free cloth and from the center to the sides of the artwork. Dries in 2 to 5 hours.

521 - Odorless Turpentine
500ml - 100 ml

Used for thinning the oil-colors and cleaning brushes. Applied for quicker drying time.

210 - Pure Balsam Turpentine
500ml - 100 ml

High quality, water-bright and clear thinner for oil-colors, mediums and varnishes. Includes and able to thin resins. Clears brushes and palettes well.

212 - Bleached Linseed Oil
500ml - 100 ml

Painting medium and infusive for oil-colors. Dries slowly and is thinned using turpentine. Gives a glossy effect and depth.

217 - Bleached Poppy Seed Oil
500ml - 100 ml

Used for white and light colored oil-color pigments and as a thinner in oil-colors. Slows the drying process. Diluted in turpentine. Non-yellowing.

215 - Linseed Oil Varnish
500ml - 100 ml

Fastens the drying process of oil colors. Used as infusive for oil-color pigments. Diluted in turpentine. Gives a deep light and glossy after effects.

208 - Matt Varnish
500ml - 100 ml

Fast drying, elastical, adhesive and non-yellowing varnish. Used mainly on acryl and oil paintings and hobby works. Turpentine is used for diluting it. Shake before use.

221 - Fast Drying Medium
100ml

Suitable for fastening the speed of drying in oil colors. Enables layer on layer painting since quickly dries the surface of oil colors. May cause cracking if over-used.

262 - Acrylic Retarder
100ml

Dilutes the acryl colors and slows the drying process. Enables wet-on-wet painting for a lengthened period of time.

570 - Transfer Glue

500ml - 100 ml

Transfer glue is for transferring dequpage and napkin techniques. Dries fast and cleanly.

311 - Crackle Varnish-I

312 - Crackle Varnish-II 100ml

Combining Crackle Varnish-I and II, you can give an antique effect. With Crackle Varnish-II and two different acryl colors, you can create beautiful bi-colored craquele effects.

352 - Arabic Gum

100 ml

Binder for distemper (watercolor - gouache) and rubbes tempera. Medium for increasing the water-proof qualities of watercolors. Can be mixed with gold leaves to create quilding paint.

360 - Leaf Mixion

100ml

Binder for imitation leaves. Apply the leaves after mixion is applied and turns transparent.

240 - Water Clear Lacquer

100ml

Dries into a water-proof, non-sticky layer. Water-dilutable. Used as semi-gloss varnish for acryl colors.

550 - Lack & Glue

100 ml

Multipurpose protective and binding varnish. Can be cleaned with water. Glossy layer after drying. Suitable to apply acryl colors on it.
