CEO STATEMENT

"OUR GOAL IS THE SUCCESS OF YOUR BUSINESS"

As the 55th anniversary of the founding of TUCAI approaches, we are proud to have been able to adapt to the many changes in the market. This has been possible thanks to the development of a professional team, committed to the project, that has focused its efforts on providing value to our customers' business.

We have used innovation as a driver for the development of new products and to improve the design and performance of current ones. This has led us to increase our range and design products that are easier to install and better performing, making it possible to sell more and expand your business.

We have a clear commitment to improving the quality of life of people and making a positive contribution to the sustainability of the countries in which we operate. To do this, we have adapted management processes to current needs and have taken advantage of available technology to simplify operations.

We pledge to continue working with confidence and passion to continue providing value to society.

Yours faithfully,

Lorenzo Piera
CEO TUCAI Group

“
