Timing Chain Kit

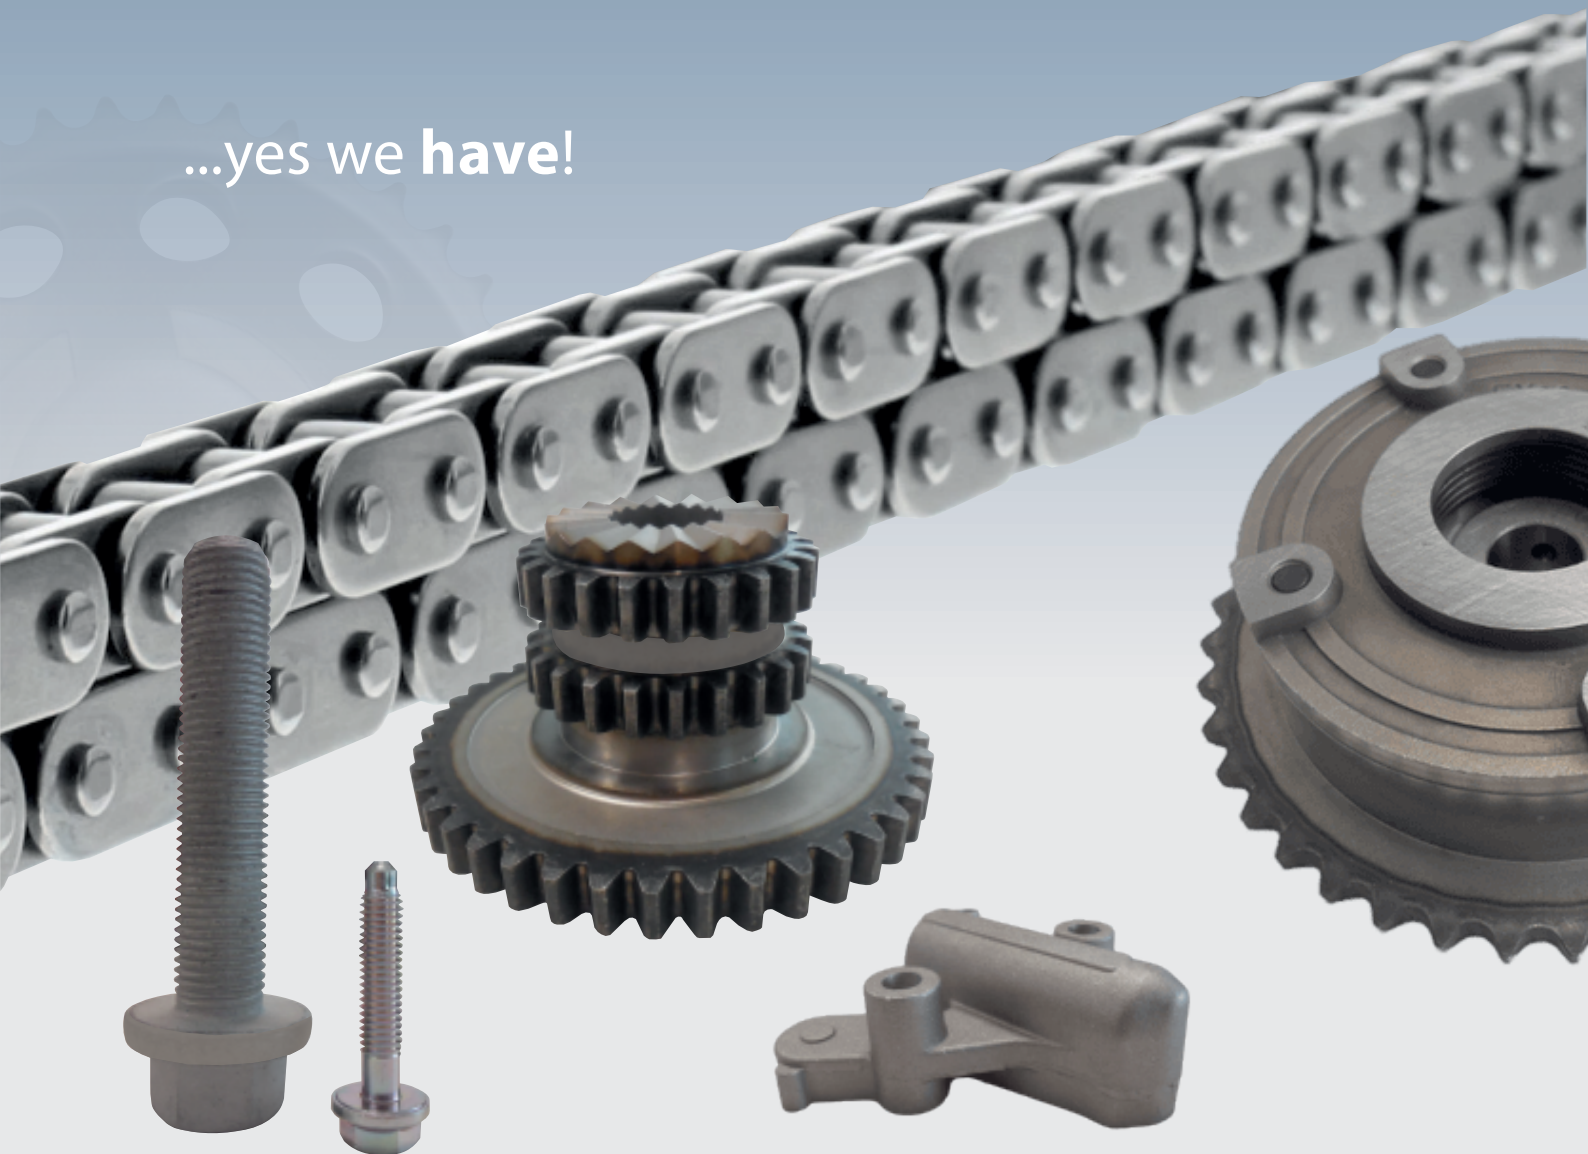

Industrias Dolz introduces its new range of products: Timing Chain Kits.

Timing chains have evolved, in today's modern applications, with their thinner width, they are much quieter, reduce overall engine length and are more durable, requiring no scheduled maintenance. Around half of all vehicles are now equipped with chain drives.

All DOLZ Kits meet all OE quality standards and include all components required for a professional repair, that is: **timing chain, crank sprocket, cam sprocket, tensioner, guides, oil seal and VVT.**

Thanks to its **90 year of experience** in the sector, Industrias Dolz offers a complete range granting to its customers the best solutions providing high quality, service and innovation.

...yes we **have!**
