

your safety choice,  
**manufacturing since 1934**

With almost **90 years of history**,  
Industrias Dolz is a worldwide  
leader in Europe in the **manufacture  
of water pumps** for the aftermarket.

Dolz has always manufactured water pumps for cars,  
industrial vehicles and commercial vehicles.

With the highest quality for the longest-standing experience  
in the market and made in Spain. The company headquarter  
is located in Spain, Almazora (Castellón) with 2 other plants  
in Argentina, China and 11 logistics centers distributed in the  
European, American and Asian continents.

Our wide product catalog includes more than 1,300 PN's  
for cars and industrial vehicles. This wide range allows us  
to cover 97% of the European vehicle fleet and 80% of the  
truck fleet.
