world of fragrances

The owner of the Aroma Car brand is the POLISH company MTM Industries, with over 12 years of experience in the perfume industry. We have our own research laboratory. We work with many renowned laboratories and scientists around the world. MTM Industries supplies its products to most countries in Europe, such as Italy, France, England, Germany and Spain. Our products also reach the countries of Asia, the Middle East and America.

An extensive and unlimited range of products and aromas will satisfy and delight even the most demanding tastes. Everyone will find a fragrance for themselves. Our offer includes a wide range of possibilities, from strong fragrances for strong and independent personalities, through sweet but delicate fruit and floral aromas, to the freshness of the ocean. Come with us into the world of fragrances!
