

THE RIGHT PRODUCT FOR EVERY FIELD OF APPLICATION

9996 SD-40 Multifunction Lubricates

SD-40 Multifunction lubricates, cleans and prevents corrosion on all surfaces as well as on moving parts. It displaces moisture, dissolves rust and soiling, prevents short circuits and leakage currents, protects surfaces against corrosion and ensures smooth running of moving parts. It is neutral towards rubber, plastic, varnish and metal surfaces.

Art.-Nr.:9996 SPC:450MLx12

9995 Quick Rust Remover

Quick rust remover has excellent anti-frictional properties. It is designed for wide use in all moving assembly mechanisms. Thanks to the quickly penetrating solvents and thin lubricants contained within the composition, it removes rust from threaded connections within seconds. This product does not harm rubber and plastic surfaces.

Art.-Nr.:9995 SPC:450MLx12

9994 Brake & Parts Cleaner

Brake and Parts Cleaner is used for cleaning and degreasing small components in the automotive and industrial sector. Brakes, clutches, transmissions and for assembly and repair work. Removes oil and grease stains from floor coverings, fabrics and clothes. Because of its universal properties, Brake and Parts Cleaner has many areas of use in industry, the workshop, agriculture and for hobbies, etc. Evaporates quick and residue free. Neutral towards rubber, nylon and plastic parts. Easy-to-use on difficult to reach places thanks to the 360° valve.

Art.-Nr.:9994 SPC:600MLx12

Additive for Technical Liquids

Senfineco- Germany additives work like liquid wrench inside of the vehicle compounds, cleaning and maintaining various areas of your vehicle. Our oil additives reduce friction and wear; our fuel additives keep the system clean and guarantee optimum combustion and compression. The benefits all our additives have in common: cleanliness in all systems, and therefore maximum performance coupled with lower fuel consumption. The best basis to make sure you get the maximum pleasure from the cars of your customer for as long as possible.

Vehicle Car Care

Whatever the time of year: car care is always in season. In the cold months, snow, ice and road salt take a toll; in the spring and summer, pollen and bird and insect droppings cover the paintwork and windows. At the same time, the vehicle interior is subject to all kinds of stress all year round. Products from Senfineco- Germany ensure optimum care and protection for all vehicles. To make sure your customers enjoy their cars' inner and outer qualities for as long as possible.

Technical Spray and Liquids

Whether on vehicles of any kind, on machines and equipment, or in your house and home: something can always break down. Senfineco –Germany can help. Quickly and reliably. For example, with multi-functional sprays and rust solvents, tire repair sealant and brake & parts cleaners. You will be impressed how quickly our problem-solvers can repair the damage. Also: many of our products, such as our A/C cleaner, are excellent for preventing damage in the first place. This saves a great deal of time, money and trouble.

9993 Carburetor Cleaner

Carburetor Cleaner is a highly-effective multi-purpose solvent combination that removes all kinds of difficult to remove deposits from the inner and outer surface of the carburetor, throttle valves and injection valves without dismantling. Effectively cleans all heavily soiled bare metal surfaces. Neutral towards PA66 plastic. Dissolves most plastics, rubber and car paint. This product is applicable to two- and four-stroke engines without oxygen sensor and catalyst.

Art.-Nr.:9993 SPC:400MLx12

9989 Cockpit Cleaner

Cockpit cleaner is designed to protect the dashboard from cracking and drying out. Returns the original shine to all plastic, vinyl and rubber trim elements. It has excellent cleaning properties and leaves a pleasant fresh smell inside the car. It forms a durable polymer layer of silicone which gives the surface excellent waterproof, antistatic and UV-resistant properties. This product can be used for the care of interior coverings made of synthetic material and plastic.

Art.-Nr.:9989 SPC:650MLx12

9986 Fuel Injector Cleaner

Fuel injector cleaner is a professional product of the latest generation for all gasoline engines. The injection system is cleaned by the highly effective additives used with unattainable effectiveness. Used regularly, it restores the original state of the fuel system. It eliminates deposits in injectors of all benzene vehicles. Represents a full alternative to professional cleaning of injectors, it regenerates the injection system, as well as the fuel delivery components. Restores the performance of the engine to the original set up parameters.

Art.-Nr.:9986 SPC:300MLx24

9991 Motor Flush

Engine oil system flush "10 min." is a special cleaner that removes sediment, soiling, mud and wear products from engine wear. All types of oil-soluble and oil-insoluble residues are brought into suspension and removed during the following oil change. This product is mixable with any synthetic and mineral oil and is suitable for cleaning in any petrol and diesel engine with or without a catalyst and with or without a turbocharger. New oil and filter work more efficiently. Oil maintains its properties during a longer period of time, which leads to extending the engine life as a result.

Art.-Nr.:9991 SPC:443MLx24

9988 Upholstery Foam Cleaner

Upholstery foam cleaner is a highly effective cleaner that removes various soiling from furniture upholstery, vehicle interiors, carpets, fabric etc. It restores the original look and color, of fabric and carpet materials, brings up the pile, removes unpleasant smells and refreshes the air in the vehicle interior. This product prevents re-soiling thanks to its antistatic properties.

Art.-Nr.:9988 SPC:650MLx12

9984 Radiator Leak-Stop

Radiator Leak-Stop was developed both as a preventive and as an acute problem solution to eliminate leaks in the engine's cooling system. Seals leaks in gaskets, clamps and small cracks in the radiator. Compatible with all anti-freezes and coolants.

Art.-Nr.:9984 SPC:325MLx24

9990 Silicone Spray

Silicone spray is a mineral-oil free, grease-free release agent, lubricant and protective coating based on silicones dissolved in chlorine-free solvents. It protects, lubricates and insulates all surfaces by means of a transparent, permanent protective film. Restores the elasticity of rubber, preventing freezing doors and trunk lid in the winter. Lubricates the rollers and the seat belt.

Art.-Nr.:9990 SPC:450MLx12

9979 Tire Shine Foam Cleaner

Tire shine foam cleaner restores the tires original look without brush and water. Contains an increased amount of active detergents and polymers that protect the rubber long-lasting. Cleans, highlights the dark tire color and protects the tires from aging and cracking. Forms an abundant foam that has high penetrating properties. Easily removes dirt and road dust from the tire. Forms a shiny, black color protective film on the rubber surface.

Art.-Nr.:9979 SPC:650MLx12

9987 TireFix Tire Repair Sealant

TireFix is designed for the tool-free emergency repair of tire punctures for all common automobile and caravan tire sizes. It removes reliably and quickly air leaks in pierced tires with a diameter of up to 5 mm by creating a durable vulcanized film.

Art.-Nr.:9987 SPC:450MLx12
