About US

Shentou is a China-based leading supplier of automotive spare parts, vehicle electronics & accessories, as well as power generation parts and equipment, and off-road machinery and parts.

For over 20 years, Shentou has been providing tailor-made, one-stop supply chain solutions to both OEM and aftermarket clients worldwide.

- **Product Portfolio:**
Heavy-duty & passenger car parts, electronics, accessories, PPE
- **Applications:**
European, America, Korean, Japanese.
- **Customer bases:**
Europe, America & Middle East
- **Sectors:**
Aftermarket, OEM

Our History.

Shentou has participated in the development of China's automotive industry over several decades.

- ✓ Assisted in the setup of the production facilities and supplier basis for VW in China;
- ✓ Contributed to the localization of Cummins and Deutz engines in China;
- ✓ Helped the transfer of German quality and expertise to China's automotive business;
- ✓ Helped align western quality standards like DIN with Chinese GB standards;
- ✓ Assisted in precisely matching China local made materials to DIN-standards.
