PROFILE

HISTORY

WAY ASSAUTO is an historic Italian company: founded in Turin in 1906 and moved to Asti in 1908, began to produce components for the mechanical and automotive industries.

WAY ASSAUTO always produced mechanical fittings, but during the two World Wars they had to convert the production for military supplies. The breakthrough in technology and productivity terms occurred in 1968 thanks to the design and production of the first "Mc Pherson" shock absorber for Fiat Automobiles.

During the following years **WAY ASSAUTO** changed its managements and in 2000, with the merger between Arvin and Meritor, it became "ArvinMeritor Suspension System Italia". In 2006 the "Astigiana Ammortizzatori" buys the Asti plant and restores the name **WAY ASSAUTO**.

In 2011 Cijan Group buys **WAY ASSAUTO** allowing investments in terms of human resources, technologies, productivity and customer focus.

All these elements are part of our mission and vision.

STORIA

WAY ASSAUTO è un'azienda storica italiana: fondata nel 1906 a Torino si trasferisce ad Asti nel 1908 dove inizia a produrre componenti per l'industria meccanica e automobilistica.

WAY ASSAUTO ha sempre realizzato particolari meccanici tranne che durante le due guerre mondiali dove la produzione fu convertita per esigenze belliche.

La svolta in termini tecnologici e di produttività avviene nel 1968 con la progettazione e costruzione dei primi ammortizzatori "Mc Pherson" per la FIAT.

Negli anni successivi la **WAY ASSAUTO** ha cambiato gestione e nel 2000, con la fusione tra la Arvin e la Meritor, diventa "ArvinMeritor Suspension System Italia".

Nel 2006 la Astigiana Ammortizzatori acquisisce lo stabilimento di Asti e riprende la denominazione originale di **WAY ASSAUTO**.

Nel 2011 **WAY ASSAUTO** viene acquistata dalla Cijan Group consentendo investimenti in termini di risorse umane, tecnologie, produttività e maggiore attenzione al cliente: elementi che fanno parte della nostra mission e vision aziendale.

PHILOSOPHY

Today **WAY ASSAUTO** is a competitor in national and international markets with a wide range of products and industrial offers able to satisfy the most challenging markets. With our experience in the field, **WAY ASSAUTO** is able to design and produce any kind of shock absorber following the specifics and the safety and environmental requirements in accordance with the laws and rules.

Product performance and reliability are guarantee by dimensional checks and incoming materials, checks during production process, laboratory tests through static, dynamic, functional and duration tests thanks to mechanic and hydraulic machines.

FILOSOFIA

Oggi **WAY ASSAUTO** è presente sul mercato nazionale e internazionale con una vasta gamma di prodotti e di proposte industriali in grado di soddisfare i mercati più esigenti.

Con l'esperienza acquisita nel settore, **WAY ASSAUTO** è in grado di progettare e produrre ogni tipologia di ammortizzatore rispettando le specifiche dei clienti e i requisiti di sicurezza e ambientali conformi alle leggi e alle normative vigenti.

Le prestazioni del prodotto e l'affidabilità nel tempo sono garantite da controlli dimensionali e sui materiali in accettazione, dai controlli durante i processi produttivi, dalle prove di laboratorio tramite test statici, dinamici, funzionali e di durata tramite l'utilizzo di macchine meccaniche e idrauliche.

SHOCK ABSORBER

The shock absorber is designed to absorb the weight fluctuation of the structure through the springing parts of the suspension in order to guarantee the car grip on the road surface in any condition.

Perfect efficiency and performance of the shock absorber increases safety and prevents possible risks to the driver.

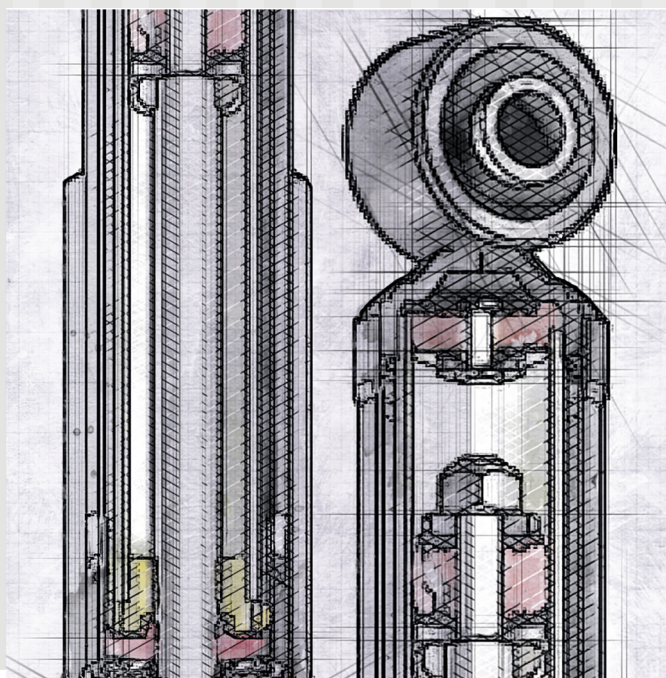

The **WAY ASSAUTO** shock absorbers are always technologically up-to-date to ensure maximum performance not only in road grip and safety, but also in comfort while driving as required by the After Market and Original Equipment Market.

L'AMMORTIZZATORE

L'ammortizzatore ha il compito di gestire le oscillazioni del peso della struttura del mezzo tramite l'elemento elastico della sospensione, in modo da garantire l'aderenza del veicolo al manto stradale in tutte le condizioni.

Un ammortizzatore efficiente e prestazionale aumenta la sicurezza e sconsiglia possibili rischi al guidatore.

Gli ammortizzatori della **WAY ASSAUTO** sono sempre tecnologicamente aggiornati per assicurare la massima resa non solo nella tenuta di strada e nella sicurezza, ma anche nel comfort durante la guida come richiesto dal mercato After Market e Original Equipment.

SAFETY

Our shock absorbers have always been recognized as reliable, safe and long lasting.

Our special mobile unit is equipped for checking and calibrating "on the field" the shock absorbers during the test of vehicles on the road, so as to make possible any change in accordance with customer requests.

The results of the tests carried out by the "research and development" laboratory made on customer and internal specifications underline that the product life exceeds the warranty period required by European laws and by customers.

QUALITY

The **WAY ASSAUTO** quality system has been certified **IATF16949**, in accordance with the current After Market request with certified products as original which can be used to replace the first plant.

SPARE PARTS

As established by the European Regulations, our company certifies that the articles placed on the market with the **WAY ASSAUTO** brand correspond, in quality, duration, functionality and technical characteristics, to the original spare parts used for assembling the vehicle.

SICUREZZA

I nostri ammortizzatori sono da sempre riconosciuti come affidabili, sicuri e per la loro durata nel tempo.

Una nostra speciale unità mobile è attrezzata per le verifiche e la taratura "sul campo" degli ammortizzatori durante il collaudo dei mezzi su strada, in modo da rendere possibili eventuali modifiche in linea con le richieste del cliente.

I risultati delle prove del laboratorio "ricerca e sviluppo" effettuate a fronte di capitolati clienti e specifiche interne evidenziano una durata del prodotto superiore al periodo di garanzia richiesti dalle leggi Europee e dai clienti.

QUALITA'

Il Sistema qualità **WAY ASSAUTO** è stato certificato da **IATF16949**, in linea con le richieste attuali del mercato per l'after market con prodotti certificati come originali e utilizzabili in sostituzione del primo impianto.

RICAMBI

Come stabilito dal Regolamento Europeo, la nostra azienda certifica che gli articoli immessi sul mercato a marchio **WAY ASSAUTO** corrispondono, in qualità, durata, funzionalità e caratteristiche tecniche, ai corrispondenti ricambi originali utilizzati per l'assemblaggio del veicolo.
