AUTO CLIP/FASTENER

From supplying overseas markets since 1998 to domestic OEMs.

At present, we have more than 1000 types of fasteners (all have ready-made tools and samples).

We have developed and verified the tools independently, with cavities quantity can reach as many as 1 out of 64.

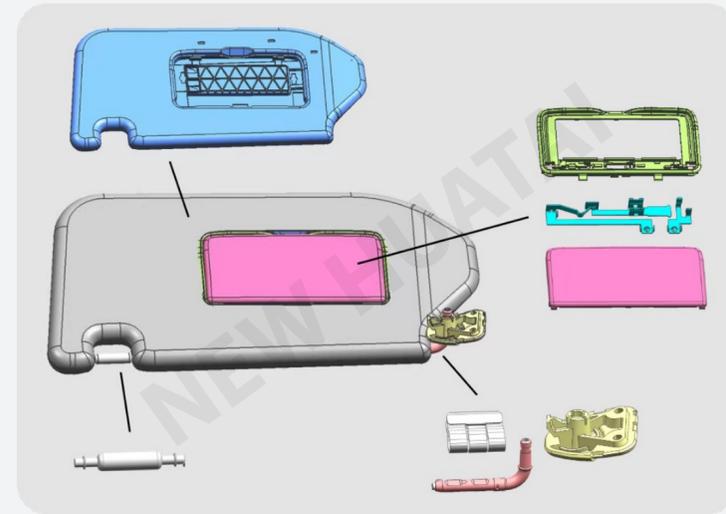

Huatai

SUN-VISOR

Starting from the supply of hook, lid, shaft and base plate for Ford and Nissan since 2011, now we've developed various kinds of sun-visors for projects of Ford, Nissan, Volvo, Geely, Jaguar Land Rover, Buick, Honda, Saburu, Toyota, etc.

We are supported by the technical guidance of many OEMs, so we are confident in supplying with high standard of quality assurance and production control.

Huatai
