

Phillips Europe

A part of Phillips Industries, a global company with offices in the US, Canada, Europe, Mexico and Asia

90%

Over 90% of our components are made in-house. All materials used in our production are of proven quality and certified.

This guarantees a constant quality and a long life.

Certified materials

All materials used in our production are of proven quality and certified.

This guarantees a constant quality and a long life.

High quality

We are ISO 9001:2015; 14001:2015 and IATF 16949:2016 certified. Extensive quality tests are done by our own Phillips testing laboratories and external partners

High quality parts result in a higher lifespan of the product!

2 year warranty

We offer 2 years of guarantee for our products to ensure their reliability.

We create solutions with guarantee of their reliability and safety.
