

PSF POLISH SPRINGS FACTORY Sp. z o. o.

Polish producer of leaf springs

POWER OF PRECISION

POWER OF
PRECISION

**30 years
of experience**

PRECISION WITHOUT COMPROMISE

Our mission is to provide the products of the highest, repeatable quality, safe for people and the environment, which you can rely on even in extreme conditions.

We know how important details are in your work, that is why we produce springs with uncompromising precision.

Every TES spring:

- **is made from certified European steel,**
- **passes inspection and fatigue tests,**
- **is covered by a 24-month warranty.**

Precision is our greatest value because we know it translates into quality, safety and comfort for you.

UNRIVALLED SOLUTIONS

Our company specializes in manufacturing leaf springs and u-bolts for vehicles of almost all brands. Our products constitute key components of the chassis of off-road, military and commercial vehicles, as well as trucks, trailers, semi-trailers, an agricultural and military machinery.

LEAF SPRINGS
for light commercial vehicles

LEAF SPRINGS
for heavy-duty vehicles

LEAF SPRINGS
for off-road vehicles

LEAF SPRINGS
for special vehicles

QUALITY&TRUST

As a team, we constantly work to improve quality at every stage of our business. In order to meet the requirements of our Customers, we constantly work on expanding our product range. Continuous development of the offer and dedicated solutions guarantee production on the top European level.

DEVELOPMENT

Every year we increase our assortment by several dozen of new items.

FLEXIBILITY

We are able to produce any type of leaf spring.

QUALITY

The highest quality of raw materials and modern technologies at every stage of production.

TRUST

100% own production.

LEAF SPRINGS CREATED BY HUMANS

The TES Production Department, while supported by innovative technology, is mainly made up of people.

Most of the production staff have been with us for many years. Their knowledge, loyalty and commitment are reflected in the quality of our springs.

Easy contact and constant technical support.

SUPPORT

A brand recognized on the European market.

REPUTATION

Almost 30 years of market presence.

EXPERIENCE

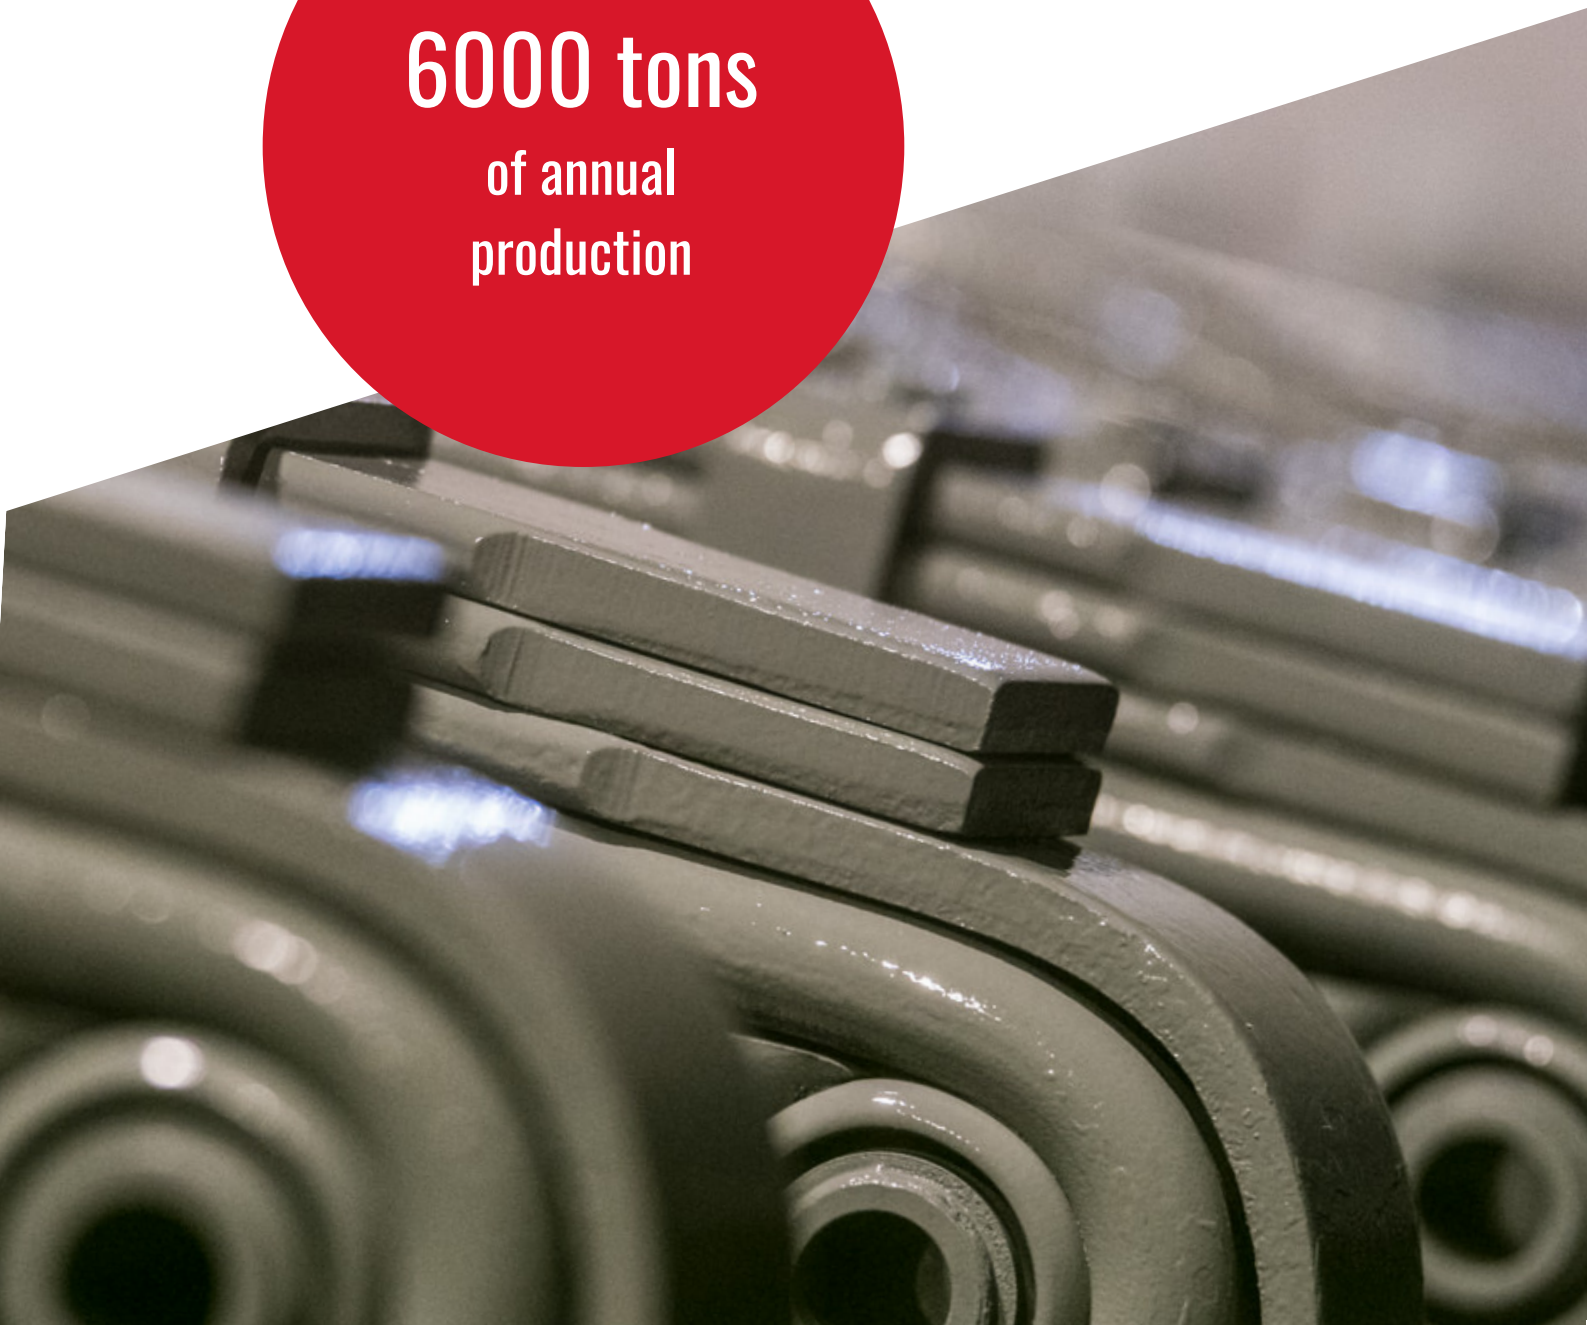

100% OWN PRODUCTION

The unrivaled quality of TES springs is ensured by:

- adherence to procedures and standards,
- high skills and experience of our staff,
- state-of-the-art technologies,
- certified European steel.

6000 tons
of annual
production

ON-TIME DELIVERY GUARANTEED BY THE MANUFACTURER

Thanks to our own factory and large stock, most of our products are available immediately and orders are completed within 24 hours.

The production of any type of spring according to the Customer's inquiry takes no longer than 30 days - also in bulk quantities.

Express order processing thanks to:

- storage space with capacity of over 1000 tons,
- dedicated logistics solutions,
- experienced warehouse workers.

900 tons
products
in stock
