

WORKSHOP PROFILER

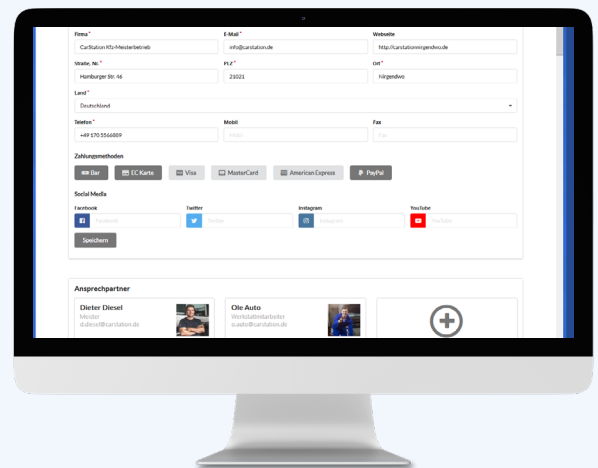

WHAT IS THE WORKSHOP PROFILER?

The so-called „Workshop Profiler“ enables workshops to record their operations, contact details, opening hours and the services offered, including hourly rates, in the catalog system. The information entered is displayed to the end consumer – the cardriver – in the cardriver app. This enables them to decide on the appropriate car repair store. The „Workshop Profiler“ is thus the link between the dealer, the workshop and the driver.
