The background of the image is a dark gray field filled with a repeating pattern of the Opel logo. Each logo is a light gray outline of the Opel shield, which features a horizontal lightning bolt. The logos are arranged in a staggered grid across the entire image.

OPEL

A solid red horizontal bar is positioned directly beneath the Opel logo text. It has a slight 3D effect with a thin white line on its top surface and a thin black line on its bottom surface, giving it a sense of depth and a metallic appearance.

The background of the image features a repeating pattern of the Volkswagen logo, which consists of a stylized 'V' stacked on top of a 'W', both enclosed within a circle. These logos are rendered in a light gray, semi-transparent style and are scattered across the entire dark gray background.

VOLKSWAGEN

A solid red horizontal bar is positioned directly beneath the 'VOLKSWAGEN' text, extending across most of the width of the word.
