

QUALITY LAMPS

2021 / 2022

Quality . Innovation . Service

NINGBO J&Y is a passionate developer, manufacturer and supplier of lights. We specialize in designing and manufacturing high quality products for the DIY, professional and industrial markets.

Major Products: Work Lights, Solar Lights, Sensor Lights, Flashlights. From battery to AC powered products.

○ Innovation

Our culture of innovation, firm commitment to R&D and extensive customer insight ensure our brands and high-quality products meet the specific needs of the consumers and professionals that we serve.

○ Quality

At J&Y, We believe the quality of a product goes hand in hand with innovation. Everything can always be improved. We seek these improvements at every step of a products development. Our state of the art quality control is cooperated with TUV, BV, SGS and so on.

○ Strategy

To focus on delivering innovative products with outstanding quality and excellent service to ensure our customers success.
