MAX-PRO EXTRA 10W-40

Veedol Max-Pro Extra 10W-40 is a modern diesel engine oil based on advanced additive technology combined with special base oils. This results in the following benefits for this engine oil:

- Excellent high temperature stability
- Very strong dispersion that prevents precipitation and sludge formation
- Powerful action against corrosion and foaming
- High viscosity index
- Powerful activity against wear resulting in strongly reduced wear of piston rings and cylinder liners
- Longer oil drain intervals

Application

This lubricant has mainly been developed for heavy duty diesel engines even under the toughest operation conditions and for all year round use.

This product is very suitable for a wide range of vehicles in combination with different diesel fuel qualities. It is unsuitable for vehicles fitted with particulate filters.

Specifications

ACEA E7/E4
API CI-4
