- (3) Dyed Colors: Deep Red (ADVUL 152)

ENGINEERING CONSIDERATIONS NOT FOR FIELD REPRESENTATIVE'S USE:

Conditions of Acceptability:

The products covered are for use only in (or with) complete equipment where the acceptability of the combination is determined by Underwriters Laboratories Inc.

The products covered may be used in place of other Recognized products provided the performance and other pertinent properties are sufficiently similar to render the same performance where used in the end product. Use Codes described in Sec. Gen. are to be used as a guide.

Seam strength (i.e. overedge seam testing) has NOT been evaluated. Seam strength testing is required on the end product.
