LED SOLAR POST TOP LIGHT

YZTS892

Product parameters

Product code	YZTS892
Input Power	30W
Luminaire Lumens	>5000 lm
Lighting Angle	TYPE III
Color Temperature	4000K/5000K/5700K
Color Rendering Index	>70
Solar Panel	Monocrystalline Silicon
Lithium Battery	Lithium iron phosphate
Discharging Time	18h
Charging Time	6-7h
Rainy Day	2-5 day
Operating Temperature	-5℃-+50℃
IP grade	IP65
Controll Function	Photocell switvh / Time control / Motion sensor
Warranty	3 years
Intended use	Parks,squares,pedestrain street,residential areas,etc.

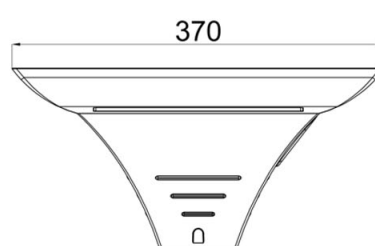

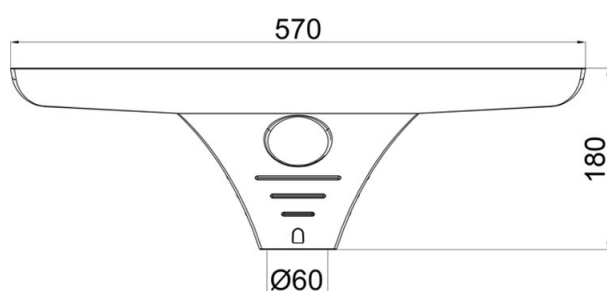

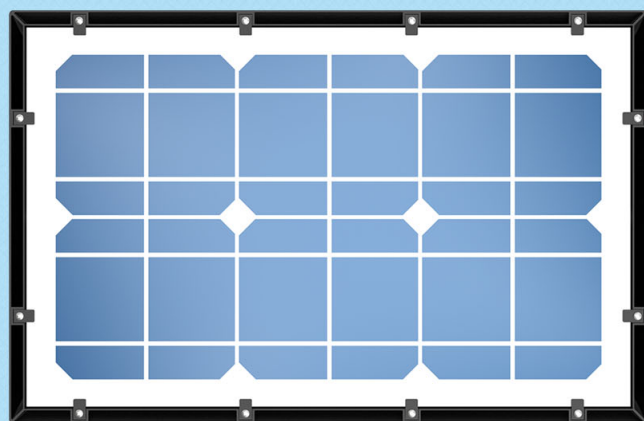

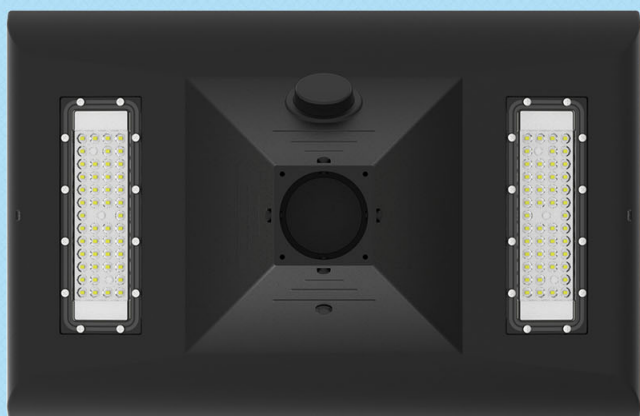

Distribution

TYPE III

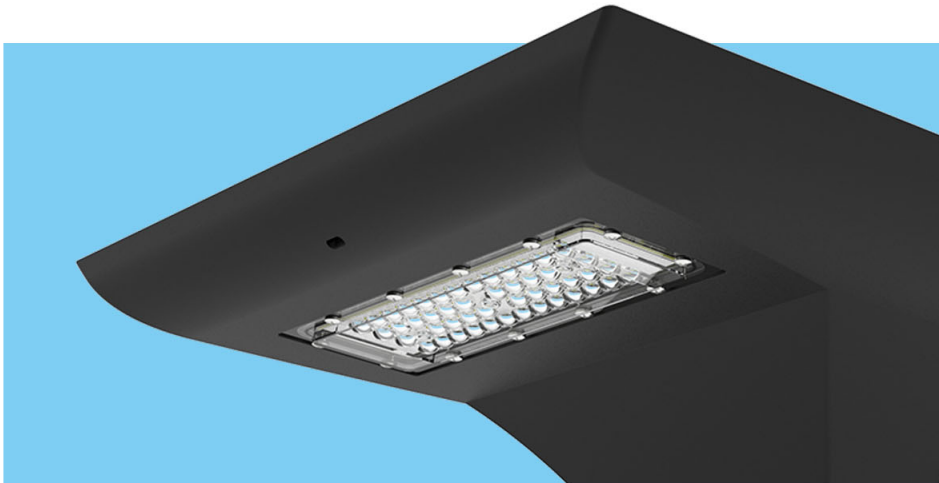

Dimensions

YZTS892

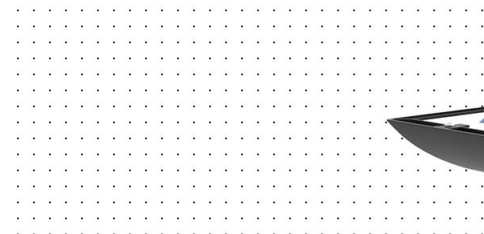

Features

YZTS892

Die-cast aluminum fixture
High transmittance PC diffuser

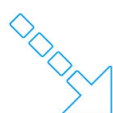

Monocrystalline Solar Panel, Grade A
Solar panel power: 18V 35W
Size: 539x338x16mm

Ø60mm
Control function for customized

Scene

YZTS892

Application:

Parks,
squares,
pedestrian street,
residential areas,
etc.
