## WKK cable ties

- Standard cable ties
- Heat resistant cable ties
- Extra heat resistant cable ties
- Polypropylene cable ties
- Tefzel® cable ties
- Detectable cable ties
- Stainless steel cable ties - uncoated
- Stainless steel cable ties - coated
- Releasable cable ties
- Push mount cable ties
- Marker cable ties
- Screw mount cable ties
- Button head cable ties
- Air conditioner tube cable ties

*Available in various colors*

*Printing of cable ties is possible*

## Ty-Rap® and Ty-Fast® cable ties

- Ty-Rap® standard
- Ty-Rap® UV-resistant + extra chemical resistant
- Ty-Rap® polypropylene
- Ty-Rap® Tefzel®
- Ty-Rap® detectable
- Ty-Fast® standard
- Installation tools for cable ties

*Available in various colors*

**Ty-Rap®**  
**Ty-Fast®**

## Cable tie accessories

- Self adhesive cable tie mounts for plastic cable ties
- Saddle tie mounts for plastic cable ties
- Wallplugs for plastic cable ties
- Installation tools for cable ties
- Storage rack for cable ties

## Heat shrink tubing

- Thin-wall heat shrink tubing
- Medium-wall heat shrink tubing
- Heavy-wall heat shrink tubing
- Medium-wall busbar insulation tubing
- Heavy-wall busbar insulation tubing

*Our heat shrink tubing is available with print (logo/text)*

*Pre-cut lengths are available on request*

*Official distributor of:*

**Hongshang**

## Other heat shrinkable products

- Heat shrinkable cable end caps
- Heat shrinkable cable breakouts
- Heat shrinkable cable feed throughs
- Mini boxes heat shrink tubing
- Assortment boxes heat shrink tubing
- Display for mini boxes heat shrink tubing
- Display with standard lengths of heat shrink tubing

*Official distributor of:*

**Hongshang**

**WKK**  
FIXATION MATERIALS

## Europe's No. 1

WKK is **Europe's largest** importer and distributor in the field of fixation materials. With offices in **The Netherlands, Germany, Italy and Poland**, WKK serves customers throughout Europe. Divided among our warehouses, we have more than **10.000 pallet spaces**. As a result, we usually have all our products in stock.

Whether you are looking for **cable ties, heat shrink tubing, cable glands**, fixation clips, crimp terminals, bootlace ferrules, sealing grommets or braided sleeving, WKK can provide you with this.

With these products, WKK offers solutions for various market segments such as electrical engineering, industry, solar, off-shore and automotive.

WKK has its own production facility in China where fixation clips are produced for the automotive sector. Our subsidiary, **WKK Automotive**, develops and produces fixation clips for (among others) Mercedes, BMW, Porsche, Volkswagen and Tesla.

## More than 35 years of experience

Since the founding in 1984, WKK works with a **successful purchasing strategy** with regard to our products. By ordering large quantities of the best quality from selected, long-standing suppliers on a weekly basis, WKK has become Europe's largest importer and distributor of fixation materials.

This means we can supply you with all different types, from different brands. WKK is an official distributor of the brands: **Ty-Rap®, Ty-Fast®, Hongshang and Jacob**.

With **over 100 employees**, WKK does everything it can, every day, to guarantee optimum service and quality to its customers. Our specialists are happy to help you with all your questions.

## Plastic + metal (brass & stainless steel) cable glands

- Cable glands | Plastic | Brass | Stainless steel | Metric | Pg
- Locknuts | Plastic | Brass | Stainless steel | Metric | Pg
- Screw plugs | Plastic | Brass | Metric | Pg
- Enlargers | Plastic | Brass | Metric | Pg
- Reducers | Plastic | Brass | Metric | Pg

Official distributor of:  
**Jacob**

## Other Jacob products

- Plastic Ex cable glands
- Brass EMC cable glands
- Elbow cable glands
- Venting elements
- Sealing inserts
- Blanking plugs
- O-rings
- Sealing grommets

Official distributor of:  
**Jacob**

## Fixation clips

Through our subsidiary WKK Automotive, WKK has access to its own production facility for the development and production of plastic clips for the automotive industry and other markets such as the solar market. The clips are used for the fixation and guidance of cables in vehicles and on profiles.

- Edge clips
- Edge clips for corrugated tubing
- Clips with fir tree or with arrowhead
- Solar clips
- Custom made clips

## Other fixation materials

- Crimp terminals
- Bootlace ferrules
- Corrugated tubing
- Braided sleeving
- Spiral wrapping band
- Velcro tape
- Terminal strips
- Pipe clips
- Cable clamps
- Twistlocks
- Single floor clamps
- Cable clips with nail
- Double sided foam tapes
- PVC tapes
- Self amalgamating tapes
- Duct tapes

## Tools

- Cable tie guns
- Heat shrink tubing heat guns
- Crimp tools for crimp terminals
- Bootlace ferrules crimp tool
