customers throughout Europe

Why WKK

Extensive and deep range of fixation materials

You only have one point of contact

Attractive prices

Purchase: large quantities on a weekly basis /
favourable purchase conditions

Reliability and quality

High quality products, quality control, ISO 9001 certified

Expertise

For over 35 years experience. Personal advice

Fast delivery

Common types in stock. Flexible regarding your order

Excellent service

Custom made products, private label, call orders

CABLE TIES AND ACCESSORIES

WKK cable ties

- Standard cable ties
- Heat resistant cable ties
- Polypropylene cable ties
- Tefzel® cable ties
- Detectable cable ties
- Stainless steel cable ties - uncoated
- Stainless steel cable ties - coated
- Releasable cable ties
- Push mount cable ties
- Marker cable ties
- Mountable head cable ties
- Chassis cable ties
- Airconditioning cable ties

Accessories

- Self adhesive cable tie mounts
- Wallplug for cable ties up to 9 mm wide
- Saddle tie mounts
- Tools for cable ties
- Storage rack for cable ties

Ty-Rap®

- PA 6.6 - Natural
- PA 6.6 - UV-resistant black
- PA 6.6 - Flame retardant
- PA 6.6 - Heat stabilised
- PA 6.6 - Heat stabilised + UV-resistant
- PA 4.6 - Extra high temperature
- PA 12 - UV-resistant
- Polypropylene – Weatherable
- Detectable
- Fluoropolymer – ETFE

Ty-Fast®

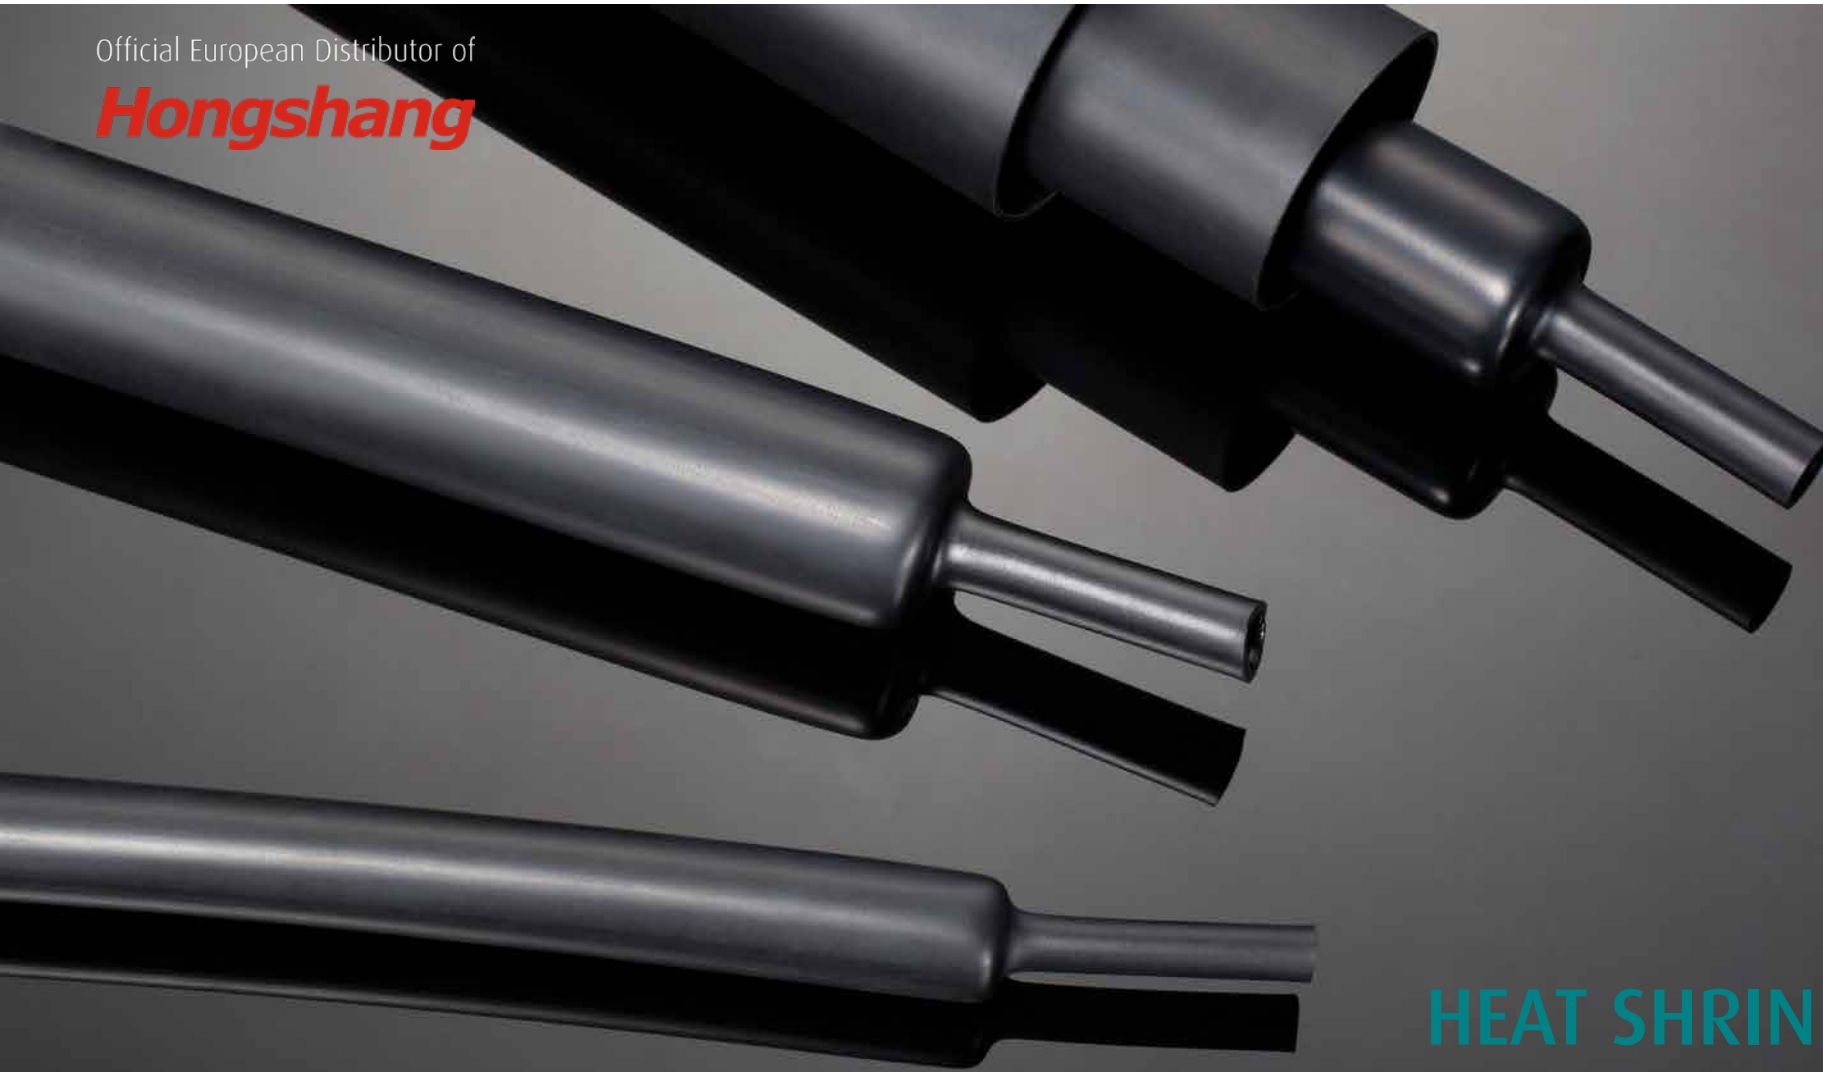

- Standard cable ties
- Extra-long cable ties
- Heavy-duty cable ties

Ty-Met™

- Ball-Lock Type – Standard widths, uncoated
- Ball-Lock Type – Standard widths, fully coated
- Ball-Lock Type – Heavy-duty ties, uncoated
- Ball-Lock Type – Heavy-duty ties, fully coated

Official European Distributor of

Hongshang

HEAT SHRINK TUBING

Heat shrink tubing

- Thin-wall heat shrink tubing
- Dual-wall heat shrink tubing
- Special heat shrink tubing
- Medium-wall heat shrink tubing
- Heavy-wall heat shrink tubing
- Busbar insulation tubing
- Moulded parts
- Assortments and mini boxes

For example H-2(Z), H-2(3X)
 For example H-5(3X)-F, H-5(4X)-F
 For example H-175K, H-200E
 For example HRTM, HRA2
 For example HRTH, HRA3
 For example HBTM
 For example HSEC, HLB

Jacob

CABLE GLANDS AND ACCESSORIES

Cable glands and accessories

- Jacob cable glands
- Jacob locknuts
- Jacob sealing plugs

Polyamid PA6-V2 & brass / metric & PG
Polyamid PA6-V2 & brass / metric & PG
Polyamid PA6-V2 & brass / metric & PG

- Jacob EX cable glands
- Sealing inserts
- Junction boxes

Polyamid PA6-V2 & brass / metric & PG

Terminals

- PVC insulated ring, spade & pin terminals
- PVC insulated female disconnectors
- PVC fully insulated female disconnectors
- PVC insulated piggy-back connectors
- PVC insulated male disconnectors
- PVC insulated butt connectors
- Heat shrinkable butt connectors (also Duraseal)
- Solder butt connectors
- PVC fully insulated receptacle disconnectors
- PVC insulated bullet disconnectors
- Quick splice connectors single tab
- Fuseholders
- Non insulated DIN 46234 terminals
- Non insulated terminals
- Assortments terminals
- Tools for terminals

CABLE END-SLEEVES

Cable end-sleeves

- Cable end-sleeves insulated (Telemechanic, Weidmüller, DIN)
- Cable end-sleeves double “Twins” (Telemechanic, Weidmüller, DIN)
- Cable end-sleeves non-insulated
- Assortments cable end-sleeves insulated
- Tool for cable end-sleeves

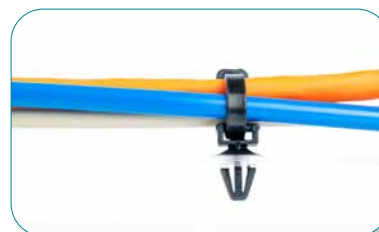

FIXATION CLIPS

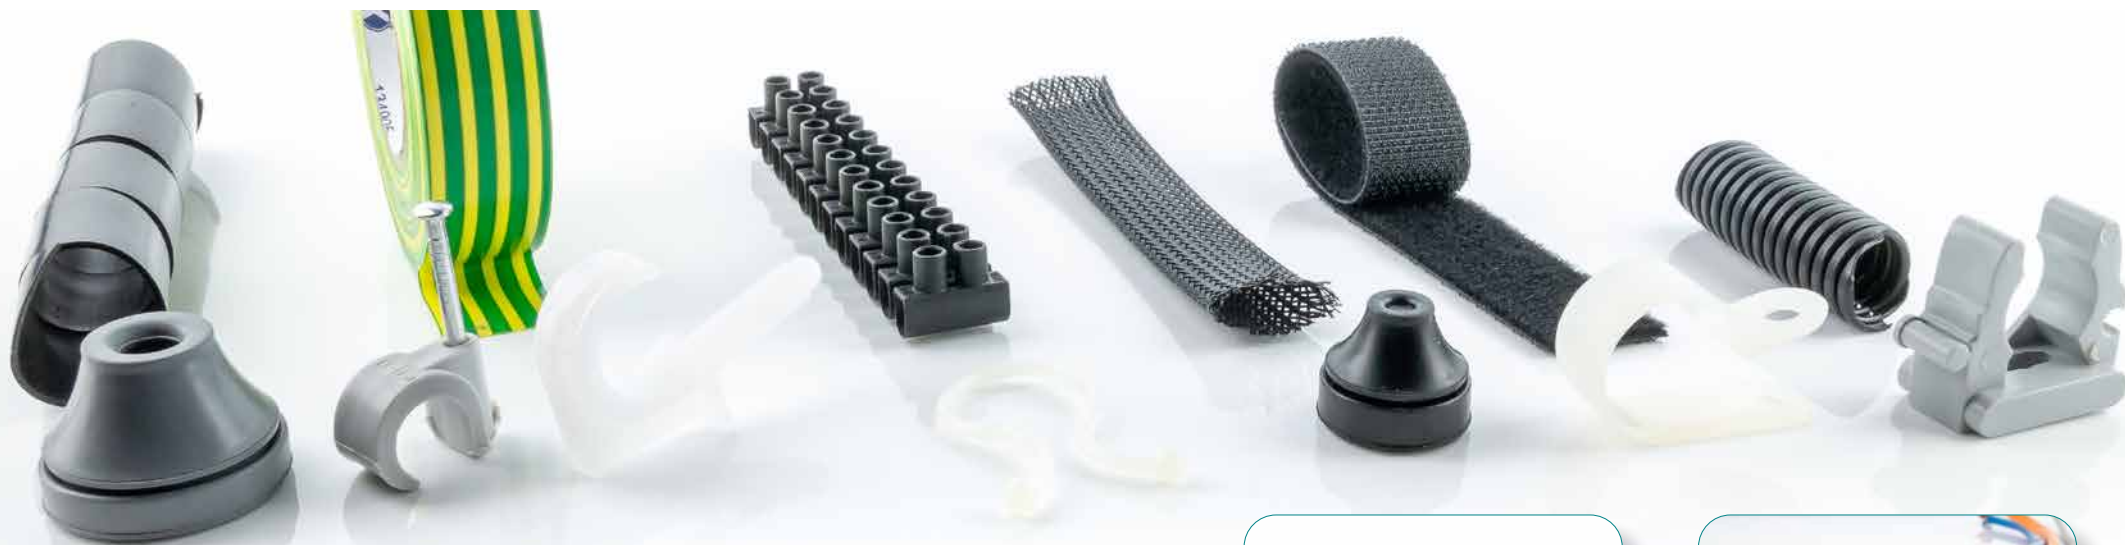

Fixation clips

- Used in automotive and solar industry
- Fixation and guidance of cables in vehicles and on profiles
- Own production facility for development and production: WKK Automotive
- Edge clips
- Edge clips for corrugated tubing
- Clips with fir tree and arrowhead
- Solar clips
- Assortments fixation clips
- Clips custom made (only if large quantity will be ordered)

OTHER FIXATION MATERIALS

Other fixation materials

- Sealing grommets
- Twistlocks
- Cable clamps
- Clamp straps
- Single floor clamps
- Cable clips with nail
- Braided sleeving
- Wrapping bands
- Hook and loop tape
- Corrugated tubing PA6
- Different types of tape
