

Solar Powered Motion Sensor Security Light

with wireless remote control

1 or 3 years warranty

Model: SL500-SP

Power: 5.5W

Voltage: 3.7V DC

Lumen Output: 800 LMS

CCT: 2700-6500K (optional)

Solar Powered & Energy Saving

Equipped with 2000 mAh rechargeable lithiumion battery, can work continuously for more than 8-10 hours after a full charge under Mode2

Remote Control & 3 Intelligent Modes

- ① Energy-Saving Mode
- ② Dim light and High Light Switch Mode
- ③ Consistant Light Mode.

Wide Angle Illumination

3 adjustable spotlight heads and solar panel can be rotated to 270° angle, which can provide extra brightness and more visible area.

IP65 Waterproof and Durable

Durable material ensure water-resistant, heat-resistant and frost-resistant, works well even in extreme weather conditions.
