LED Lighting Manufacturing&Solution

Corporate profile 公司简介

以人为本 质量至上
专注于LED照明领域

本公司坐落于中国浙江省宁波市，宁波奇驰照明灯具有限公司，成立于2012年，致力于10年开发及生产Led灯具，主营吸顶灯，三防灯，橱柜灯条，天花灯等。奇驰强大的研发和品质要求，使得正在迅速的成长成为LED时代一个新星。

宁波奇驰照明灯具有限公司，位于东南沿海重要的港口城市，被国际港航界权威杂志——英国《集装箱国际》评为“世界五佳港口”，化学工业基地，历史文化名城宁波市，注册地址在浙江宁波慈溪市崇寿镇，公司性质属于私营有限责任公司，注册资本为500万元，自2012年成立，至今已经10年。主营吸顶灯，三防灯，面向全国提供优质的产品和服务。

我公司本着“追求卓越，永续经营”理念，“诚信、质量、效率”为宗旨，时刻追随行业最新要求，坚持不懈为客户提供最优质的产品和便利的服务。

科技点亮生活 你的明天将由我们照耀!

Founded in 2012,devoting nearly 10 years to the development and manufacturing of ligheting products,including commercial lighting,cabinet lighting,power driver,sensor module.

Qich with its powerful technology and excellent marketing system,working on providing high quality service for customers,now we have been growing more and more powerful in ligheting industry.

Qich care so much about the brand effluences and also the satisfactory experience of our customers, So we always put a lot of efforts on the products quality and after sales service.We emphasis on applying for the necessary certificates for our target market, controlling every step of the productions,testing before delivery and tracking each order after delivery.

Quality,Service and Time Efficient!

That's what we seek for and we are doing!

We have a sound recruitment and training system of human resources, give full play to the creativity and cohesion of the team, and ensure a reasonable production capacity and sustainable healthy development.

In order to widen our business field and technology application field, Qich attaches importance to the training and development of talents. With advanced R&D centers, through cooperation with colleges and universities, we have trained a number of experienced professional and technical personnel and R&D team, which can strengthen the control of optimized cost design in accordance with market trends and actual needs, and constantly launch a variety of new LED Products with excellent performance, elegant appearance, energy saving and environmental protection. Characteristics to meet the needs of users.

Advanced equipment, guaranteed Qich product quality.

Production Equipment

Professional manufacturer
of LED Lamps

Qich

Qich has advanced production lines, high-quality technicians, strict ERP enterprise information resources management system, professional production process system and harsh raw material procurement system to create a strong production capacity for enterprises, product quality and enterprise development provides a strong guarantee.

Qich has complete professional testing equipment and a strong quality management team, strictly implement the ISO9001 international quality management system, all products have passed the standard Huai testing procedures before leaving the factory, and our products have UL, CE, LVD, IP, RoHS, cETlus, SAA, C-Tick certification. And through the establishment of a sound training system, regular strict implementation and assessment, for Qich products to provide quality assurance.

Our company has successively passed the ISO9001 quality management system certification, with the United States UL, FCC, European ROHS and other world authoritative bodies of certification and the Ministry of Information Industry of China all the test report, is the witness of Qich extraordinary strength.

Qich products are exported to Northern Europe, Southeast Asia, North America, Africa and other nearly 20 Countries and regions, with first-class products, quality service, get The recognition of many domestic and foreign customers, market share is also rising.

Qich dealers all over the country, set up more than 50 service centers nationwide, has a professional sales team, Complete set of solutions to provide customers with fast, convenient and efficient service.

Ceiling Light

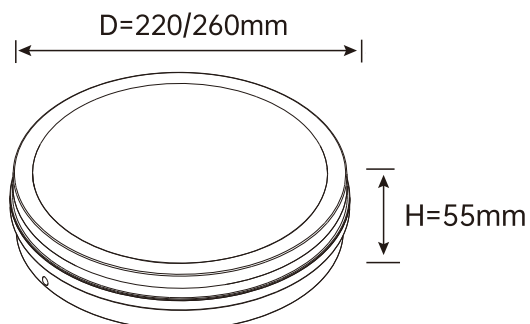

S Series

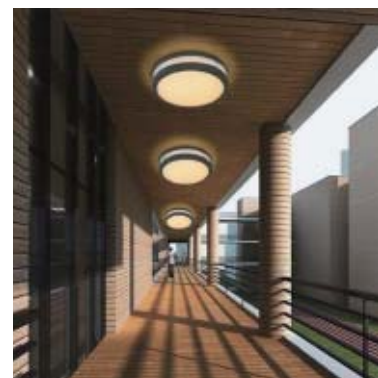

Patent
Design

Features

- Polycarbonate construction
- Non-isolated driver No flicker
- Microwave sensor(option)
- Multiple mounting options
- White or Black changeable bezels
- Single/Sensor/CCTK
- No mercury and no UV safer environment
- 30000h lifetimes,3years warranty

Code	QC-C220C-ND	QC-C220C-MR	QC-C260C-ND	QC-C260C-MR
Product Size(mm)	220x55mm	220x55mm	260x55mm	260x55mm
