

CUSTOM LIGHTING

WE ARE **NOVOLUX**
CUSTOM LIGHTING

Novolux Lighting has been manufacturing and commercialising a wide range of high-quality luminaires since 1981 and, nowadays, it offers global lighting solutions for indoor and outdoor lighting applications.

We own manufacturing and assembly workshops to manufacture decorative luminaires for projects.

We adapt to any manufacturing need, working with aluminium, wood, glass, methacrylate, etc.

We give light to your designs, turning the luminaire you dreamed into a reality.

Always under the supervision and support of our technical and design department.

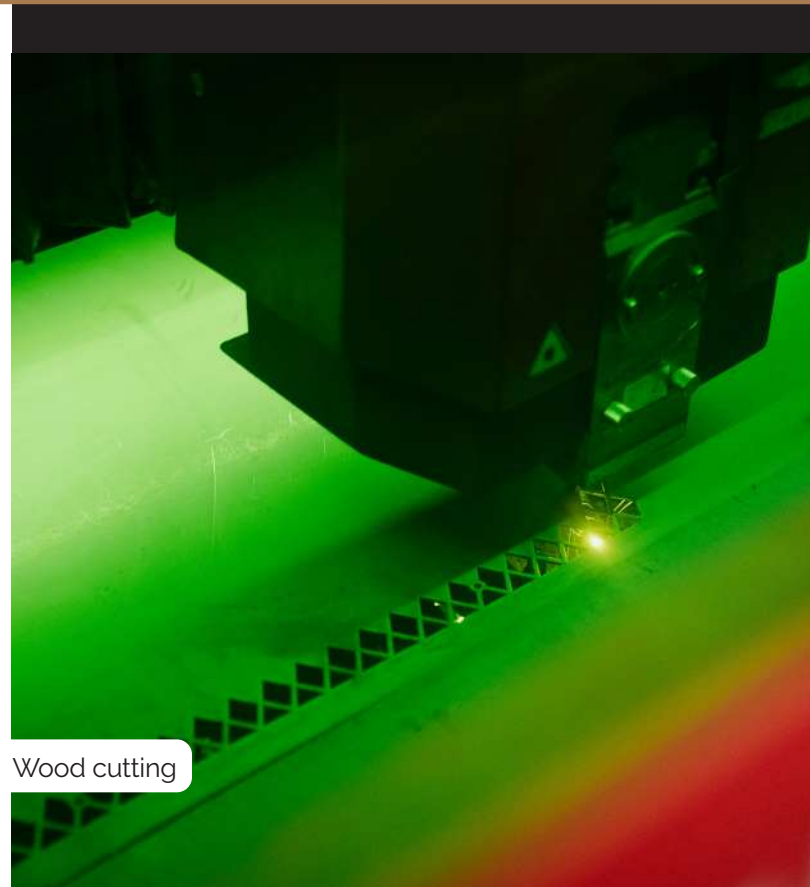

Manufacturing processes

Manufacture of lamps in aluminium

Custom lighting projects

UMUSIC HOTEL MADRID HOTELS & RESORTS

Description:

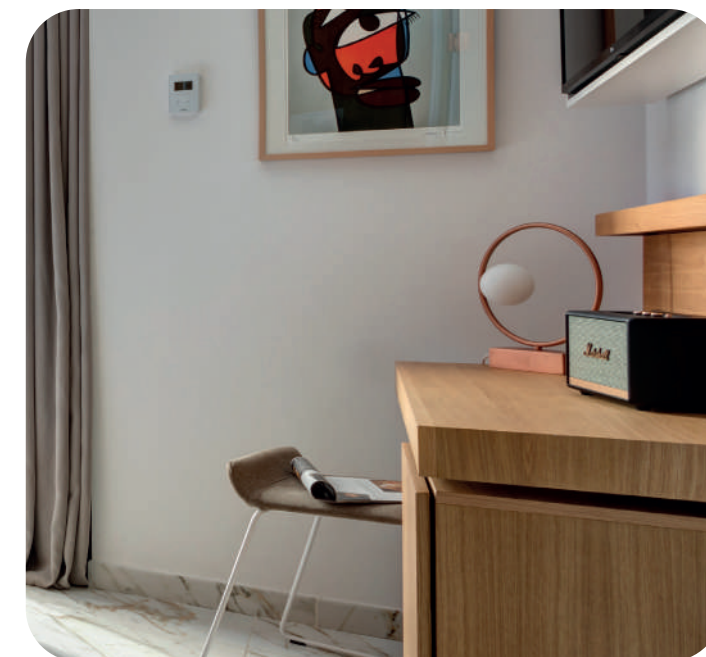

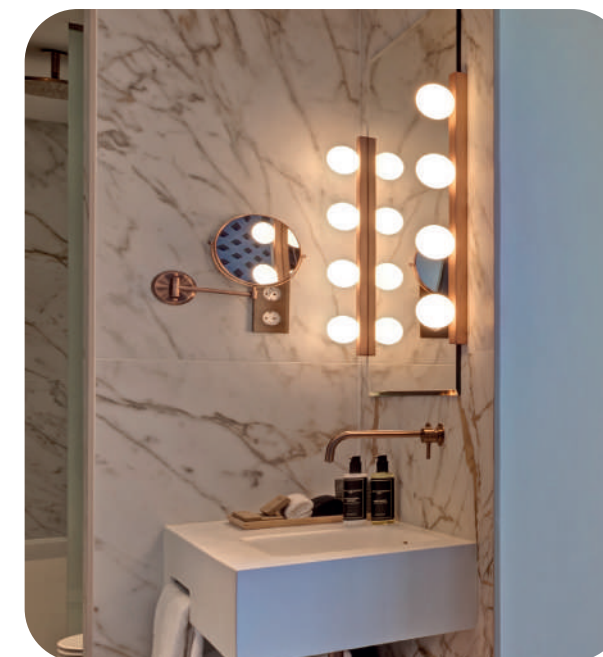

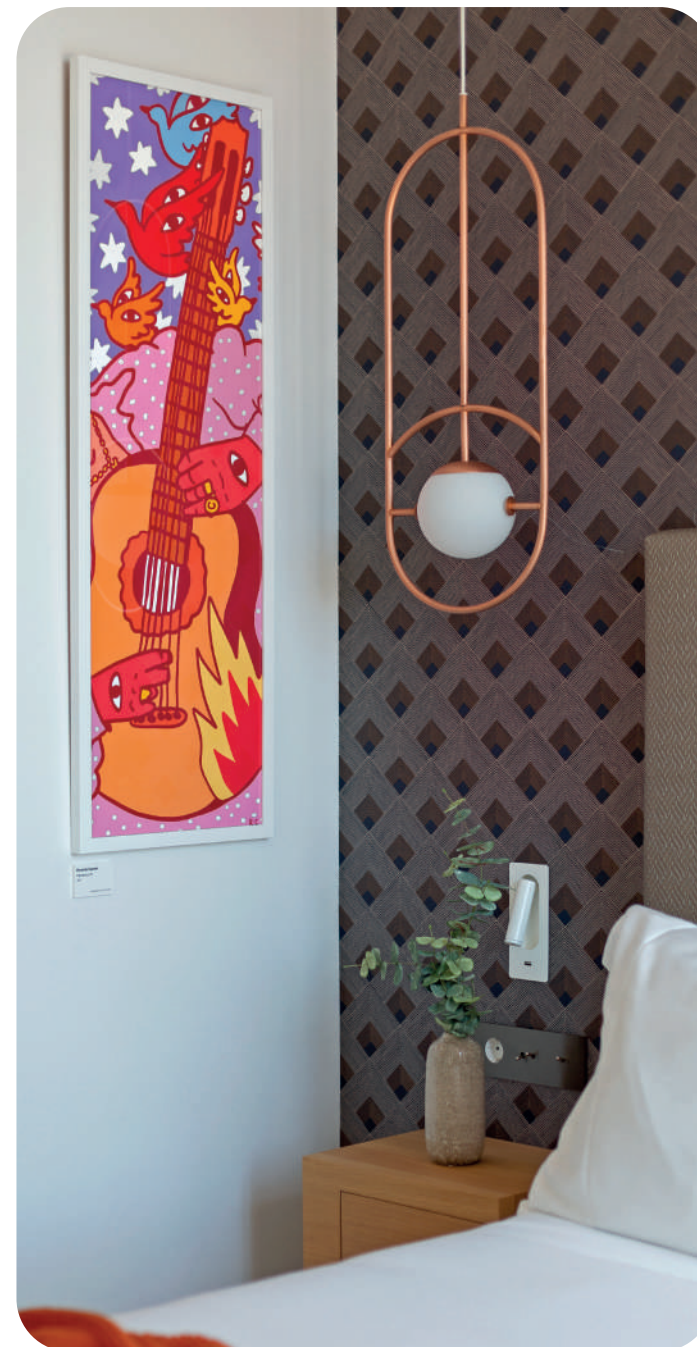

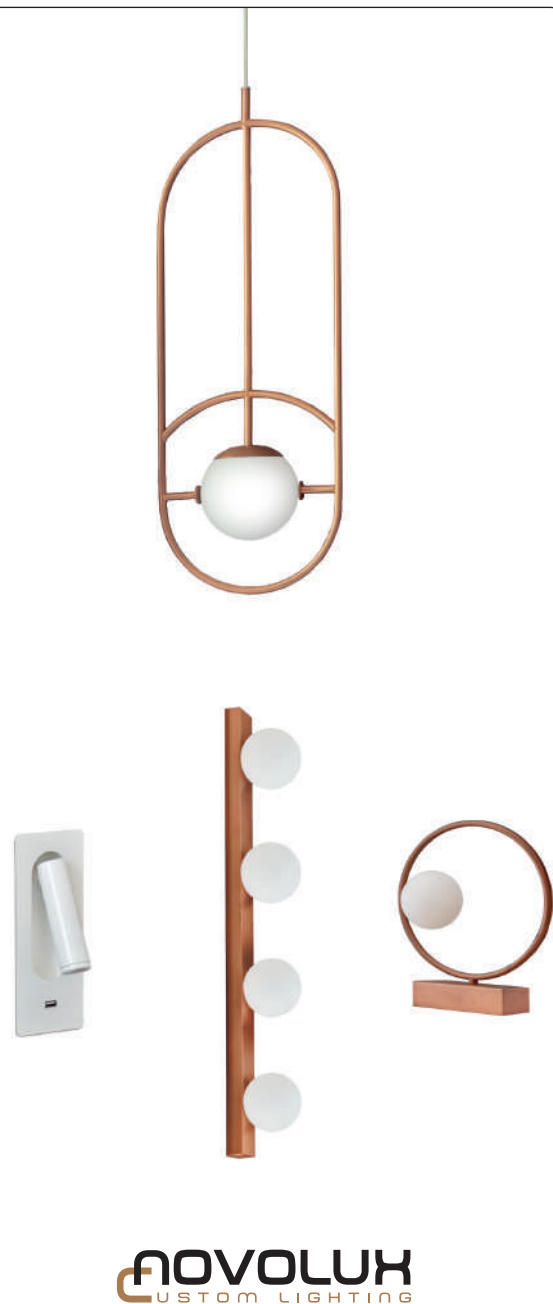

In the UMusic Hotel Madrid we worked hand in hand with the interior designers who defined the decorative elements of the hotel, and we illuminated the hotel rooms and common areas with customised reading wall lights, and with a unique formal design of suspensions for the bedheads, table lamps for the desks in the bedrooms and wall lights for the bathrooms. We also illuminated part of the Albéniz Theatre, located within the hotel itself.

Location:

Madrid, España

Products:

Wall brackets - Novolux Custom Lighting
Suspended lamps - Novolux Custom Lighting
Table lamps - Novolux Custom Lighting

AUBAMAR SUITES & SPA HOTELS & RESORTS

Description:

In this hotel, we lit the terraces of the rooms with decorative outdoor luminaires. We also lit indoor common areas of the hotel with custom suspensions.

365 OBRADOR RESTAURANTS

Description:

For this cafeteria we designed and manufactured custom-made decorative pendant lamps. On the one hand, large chandeliers to illuminate the central area of the cafeteria, where several tables are located. On the other, smaller lamps, but with the same formal design to illuminate an area of tables with a lower ceiling.

Location:

Sabadell, Spain
