

Selection for the US market

We are  **NOVOLUX**
LIGHTING

Novolux Lighting has been manufacturing and commercialising a wide range of high-quality luminaires since 1981 and, nowadays, it offers global lighting solutions for indoor and outdoor lighting applications.

With headquarters in Barcelona and a strong network of local distributors and partners established in Europe, the Middle East, Latin America, Africa and Asia, the company has a worldwide presence in more than 40 countries.

Novolux Lighting owns manufacturing and assembly workshops to manufacture decorative luminaires for projects, adapting to any assembly or material need. We give light to your designs, turning the luminaire you dreamed into a reality. Always under the supervision and support of our technical and design department.

Light Up Your Imagination

Design by Nacho Timón

TWIST

Made from birch plywood beech wood.
