Collection

A LUMINAIRE THAT IS BOTH A
SCULPTURE AND A FLOWER.

The Ballon series draws its design from the organic shapes and patterns of nature, with a sprinkle of inspiration from the sculptural arts.

The luminaires in the series combine various materials and the latest technology with a highly visual form language.

Collection

The Ballon Table was creatively influenced by the endlessly graceful and harmonious forms of plants and flowers. The light can be effortlessly operated with the Tunto EnOcean wireless switch that complements the style and grace of the luminaire.

Ballon table

TUNTO

Collection

The various parts of the luminaire are adjustable and customizable for creating a nearly unlimited variety of forms and moods.

Ballon table

The luminaire's parts are available in various colours and materials for a myriad of creative options. The rotating, adjustable wooden panels and the marble base bring a strong element of natural, organic elegance to the luminaire, and the prestigious 24K gold-plated metal frames add a touch of timeless luxury.
