SMART LIVING 2024

Hangzhou Hemos Lighting Co., Ltd.

Founded in 1992, **Hangzhou Hemos Lighting Company Limited** has more than 30 years of experience in lighting and electronics manufacturing and export. We have our own R&D and QC team to meet OEM and ODM demands. Our factory is proudly ISO9001 and ISO14001 qualified. Our products have obtained critical certificates such as CE, FCC, SAA, PSE at reputable organizations such as TUV and ITS.

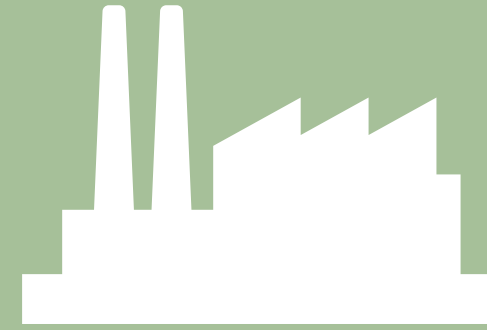

For the past few years, we developed in-depth cooperation with Tuya Smart - a global smart platform, to upgrade the conventional products to smart products. Our brand iO.e is registered in many countries such as Germany, Japan, America, etc., and our smart products are sold all over the world. In 2023, we started developing Matter Protocol devices, and successfully obtained certificate for smart plugs by CSA.

Adhering to the business principle of mutual benefits, we have had a reliable reputation among our customers because of our professional services, quality products and competitive prices.
