Smart Spike Light Kit

+

- 3 Spike Lights + IP44 Gateway Plug

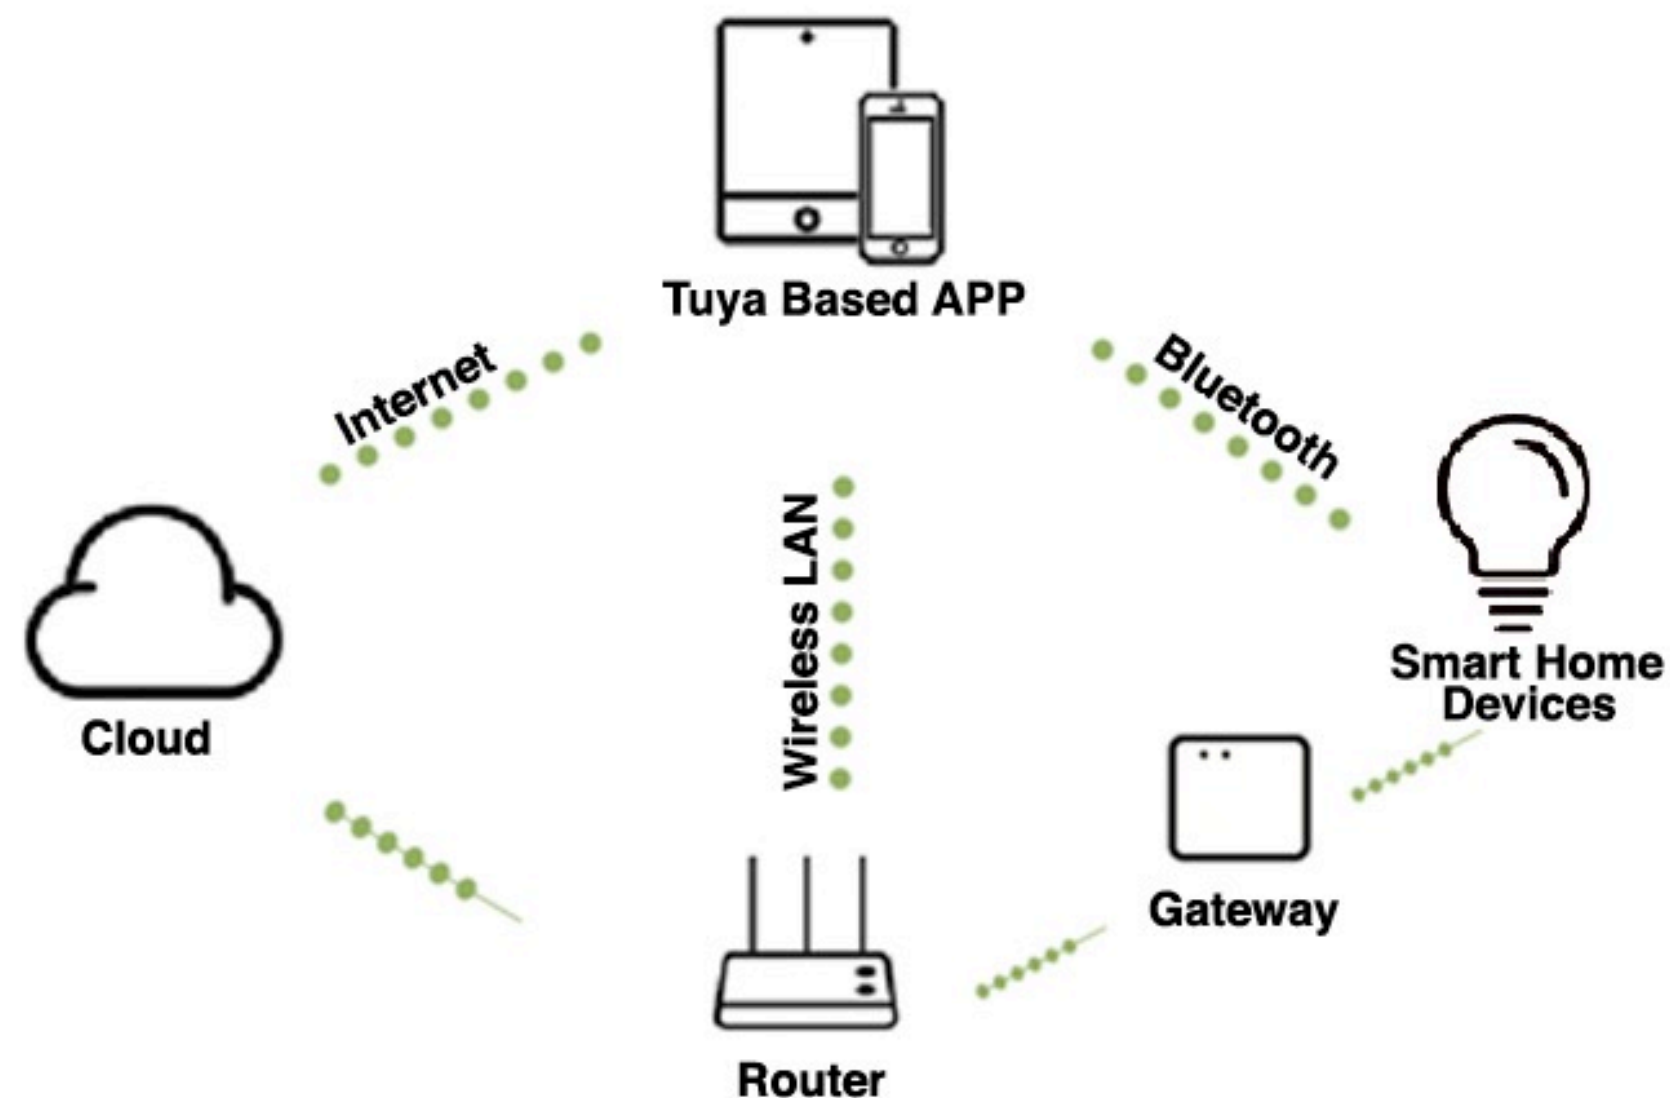

Model	Input Voltage	Power	LED	Color Temperature	Dimmable	Dimension (mm)
io-BleM-LRS3-3	12V DC	3W*3	3pcs 5050RGB	RGB	Brightness	φ60*80*270

We have both Bluetooth and Wi-Fi version of smart outdoor lights. Wi-Fi outdoor lights are suitable for small gardens. For big gardens, we strongly recommend the Bluetooth version, since the Gateway allows connection of **more devices at extended range**.

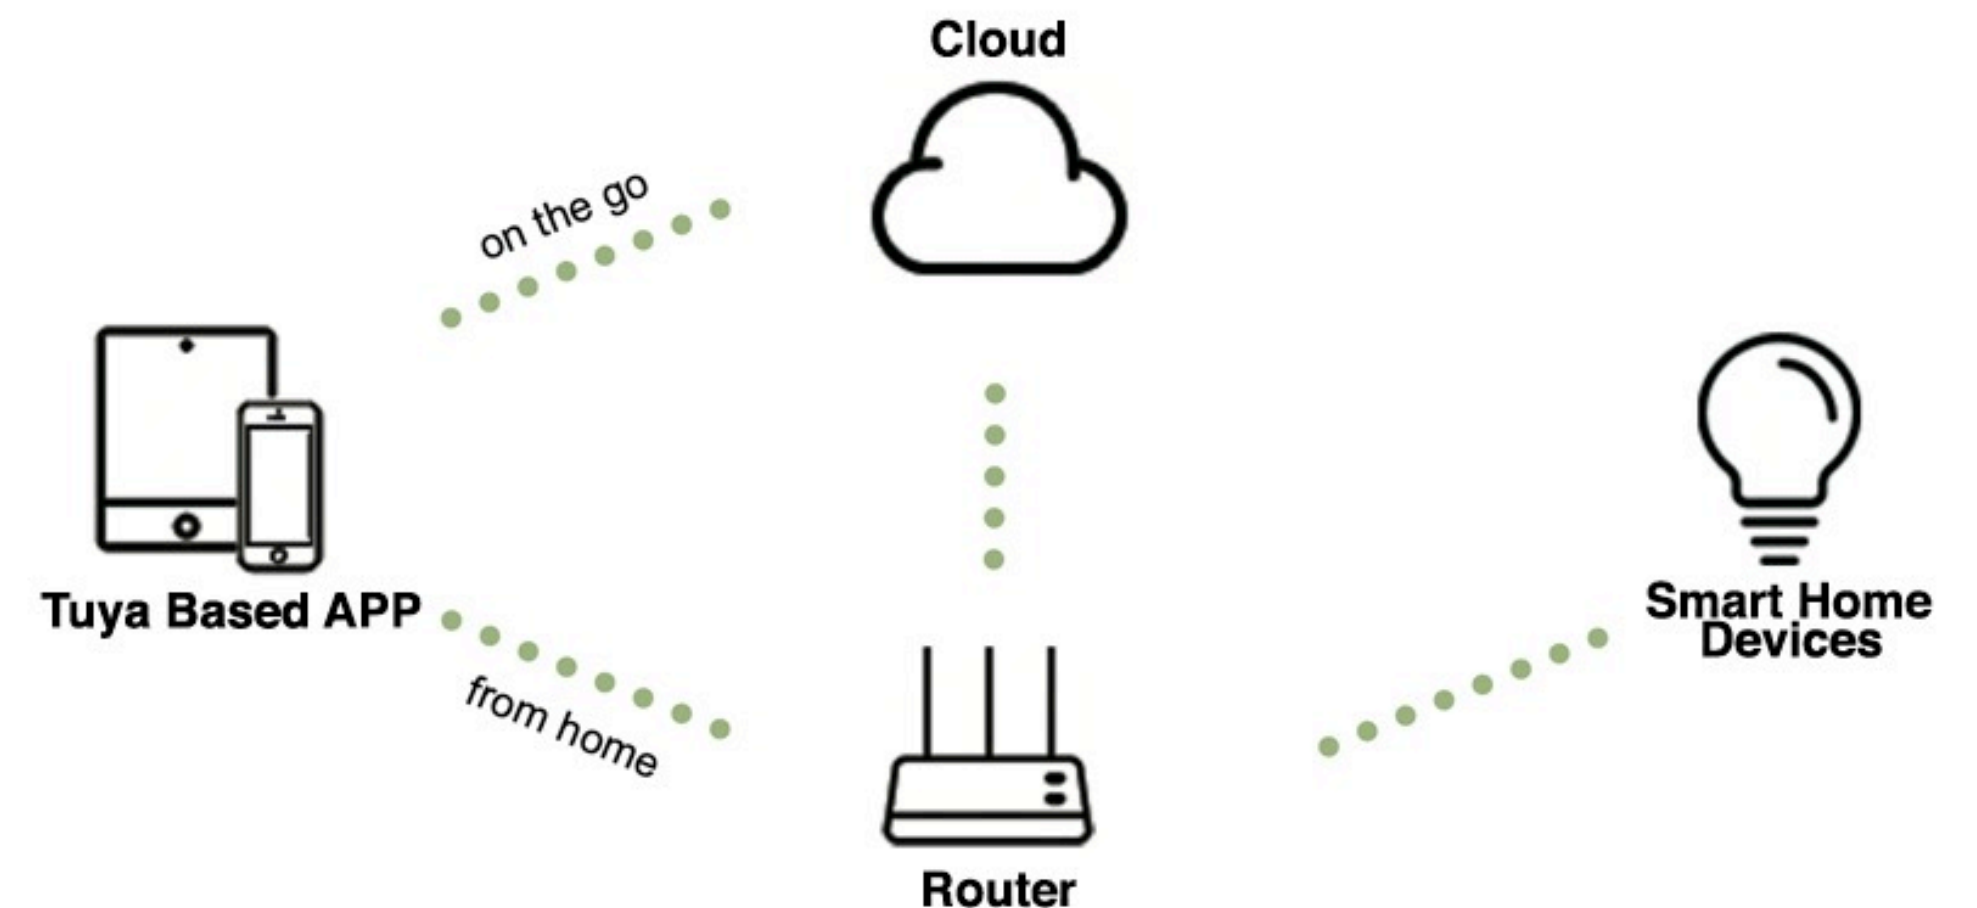

Bluetooth Version

- Connects More Devices
- Extended Range

Wi-Fi Version

- No Gateway Required
