

## ADVANTAGES

Excellent corrosion resistance:

- 3 times better protection than hot-dip galvanized steel
- A "self-healing" effect that provides excellent protection of edges on places which are cutted
- The best and most cost-effective alternative to hot-dip galvanized steel
- Eco friendly
- Faster production, fast delivery and instalation time
- CLICK System
- Galvanik connection

- Material: steel 1.0332
- Surface protection
- Product is part of the UltraProtect® 1000 system
- Suitable for in-and outdoor applications
- Stands min. 1.000 hours salt spray test (max. 5% red rust) according ISO 9227
