## COMPANY INTRODUCTION

### DEVELOPMENT HISTORY

15 YEARS OF  
CULTIVATION

## COMPANY INTRODUCTION

- About us:

Foshan shengtianjia lighting equipment Co., Ltd. was founded in 2010, the production base is located in the developed city of Foshan. It is a commercial lighting manufacturer integrating R & D, production, design, sales and service. Its products are widely used in star hotels, villas, clubs and luxury homes and high-end business occasions.

The company has first-class R & D and design center, strict testing and inspection center, advanced die-casting production workshop and assembly workshop, and a sound internal and external marketing center. The products are strictly in accordance with international standards, and have passed compulsory "CCC" certification and international CB, CE, TUV and SAA certification.

## COMPANY INTRODUCTION

- About us:

The company takes talents as capital, quality as survival, actively and constantly develop new products, provide customers with the best lighting and lighting system solutions, and meet the owners and designers' perfect pursuit of light environment !

## COMPANY INTRODUCTION

- General manager motto:

LIGHTING  
INSPIRING LIVING

- Our creative inspiration comes from every touch of nature;
- Transition from the sun to the moon, from the light to the color;
- The elements of nature are fully reflected in our lamp structure and reflector light distribution design;
- Allow the carrier of light completely dissolve into the space environment;
