## LED Linear Light

Create beautiful lighting in your office, residence, commercial building or industrial space with architectural and suspended LED lights. Our suspended LED lights are ideal for retail lighting since they provide a lovely diffused light to effectively highlight merchandise that is visually comfortable.

These fixtures are available in a variety of lengths and wattages, with up & down lighting mode, optional with diffuser, reflector, honeycomb, and can be dimmed to create the perfect atmosphere in any setting.

Suspended
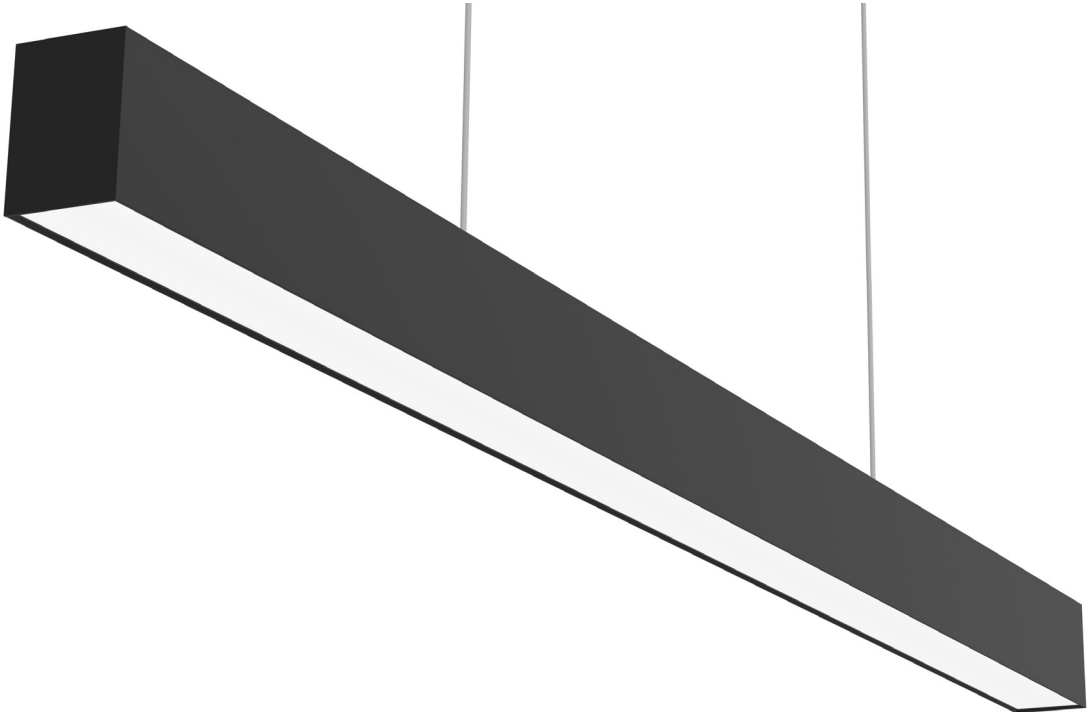

No Screw design on sides.

Up lighting light on the atmosphere. More soft and comfort.

**3 Dip Switches**
1 switch for up/both/down lighting mode selection
1 switch to control up lighting CCT
1 switch to control down lighting CCT

WW NW CW O up both down
