

Install cable trays up to **3 times faster** with Unitrunk's revolutionary innovation.

The clever UNIKLIP® system, replaces time consuming nuts and bolts assembly with a simple "KLIP" method, speeding up the install process while maintaining the same reliable strength and quality of Unitrunk.

Installers are finishing jobs up to 3 times faster and **saving up to 50%** on overall costs.

The patented UNIKLIP® system includes the UNIKLIP®, Coupler and Cable Tray.

**Contact us to find out how UNIKLIP® could save time and money on your next project.**

Unitrunk cable trays conform to BS EN 61537:2007 and are tested in accordance with BS EN 61537. Earth continuity compliant in accordance with the requirements of BS EN 61537.
