*because You make the
difference.*

The image shows a modern building at night. The building's facade is composed of large, light-colored panels. A prominent horizontal band of warm, yellowish light runs across the middle of the building. On the right side, a large, illuminated sign is visible. The sign features a stylized logo at the top, consisting of a square with a cross-like shape inside. Below the logo, the words "Terra Musa" are written in a cursive, handwritten-style font. The sign is illuminated with a bright blue light. In the foreground, the dark silhouettes of trees and bushes are visible against the building and the night sky.
