# THE COMPANY

## ***Deni Lighting LTD***

*was started in 1992 as a family company in Burgas, Bulgaria. Now Deni Lighting Ltd is one of the biggest Bulgarian trading companies which supplies lighting appliances and electrical equipment for the local, European and Middle East markets.*

*Since its beginning the company's main goal is to satisfy customers' needs by providing a wide range of products. We have also already adopted the idea of sustainable and green development of our business*

*Deni Lighting owns a head office building, 6 company stores and a logistic base with over 5000 m<sup>2</sup> storage area.*

# THE BRAND

*The strive of our company for constant development and growth led us to the decision to introduce our own brand **LIGHTEX** in 2011.*

*Since then it has developed as a successfully selling brand – a symbol of quality and stability.*

***LIGHTEX** offers a diverse range of lighting solutions designed to meet the unique needs of each customer.*

*Our expertise spans across various sectors, providing both functional and aesthetically pleasing lighting products.*
