

COMPANY
PROFILE

CION THE BRAND

CION Lighting Technologies from Italy is committed towards highest level of aesthetics, product performance, reliability and innovation in design. Recognized and certified by the world's strictest safety and reliability standards, CION Lighting with its state-of-art manufacturing facility, promises a revolution in LED lighting solutions.

BEYOND ILLUMINATION

CION lighting the brand, is taking lighting beyond illumination. With a mission to be the one stop solution for all the illumination requirements across regions, the brand is focused on producing premium LED lighting solutions for retail, commercial, hospitality and industrial categories. At CION we make every effort to ensure that our lighting fixtures, with their quality, precision manufacturing with the use of automation technology and unique designs, are amongst the best LED luminaires in the world. The state-of-art manufacturing facility of CION allows it to be cost-effective and premium LED manufacturer across the region that has the capability to not only undertake large projects of standard products, but also gives a unique flexibility to execute projects requiring custom solutions as well.

With in-house lighting designing and manufacturing capabilities, CION also maintains ample inventory for meeting tight dead-lines of clientele across MENA, Europe and South Asian sub-continent.

CORE VALUES AT CION

DESIGNING AND MANUFACTURING

With a state-of-art manufacturing facility, **CION** has the capability to support the clients with top-notch quality with products certified with the highest performance and safety grade standards.

EFFICIENT LIGHTING SOLUTIONS

The perfect combination of Luminaire, COB and control gear results in a solution that is not only reliable but also the most efficient and long lasting. Combined with the in-house R&D and light designing capability, our prestigious clientele is guaranteed the best possible lighting solutions.

DEDICATION TO CLIENTELE

The long-standing trust in the products, impeccable service and performance has propelled the group to achieve excellence at all fronts, and dedication in serving the clients.

TEAMWORK

The greatest strength of any company is in the team and their passion towards excellence at work place. And the team spirit resonates in the work and the pursuit of attaining complete client satisfaction and appreciation for smooth functioning of the relationship.
