About EZVIZ

# Who We Are

Smart     Safe     "EASY"     "VISION"

EZVIZ

Caring     Enjoyable

**Since 2013, EZVIZ is dedicated to putting "easy vision" in every home** —
that is, we strive to build simple yet powerful smart home devices and
appliances to provide visual protection and tangible joy to every family.

A global leader in smart home technologies, EZVIZ empowers the future of
smart, connected living through relentless tech innovations, reliable high-
quality products and trustworthy cloud services. With footprint in more
than 130 countries, we've been trusted by millions of users and families.

## A Publicly Listed Smart Home Tech Company
On the Sci-Tech Innovation Board of the Shanghai Stock Exchange
(SH: 688475)
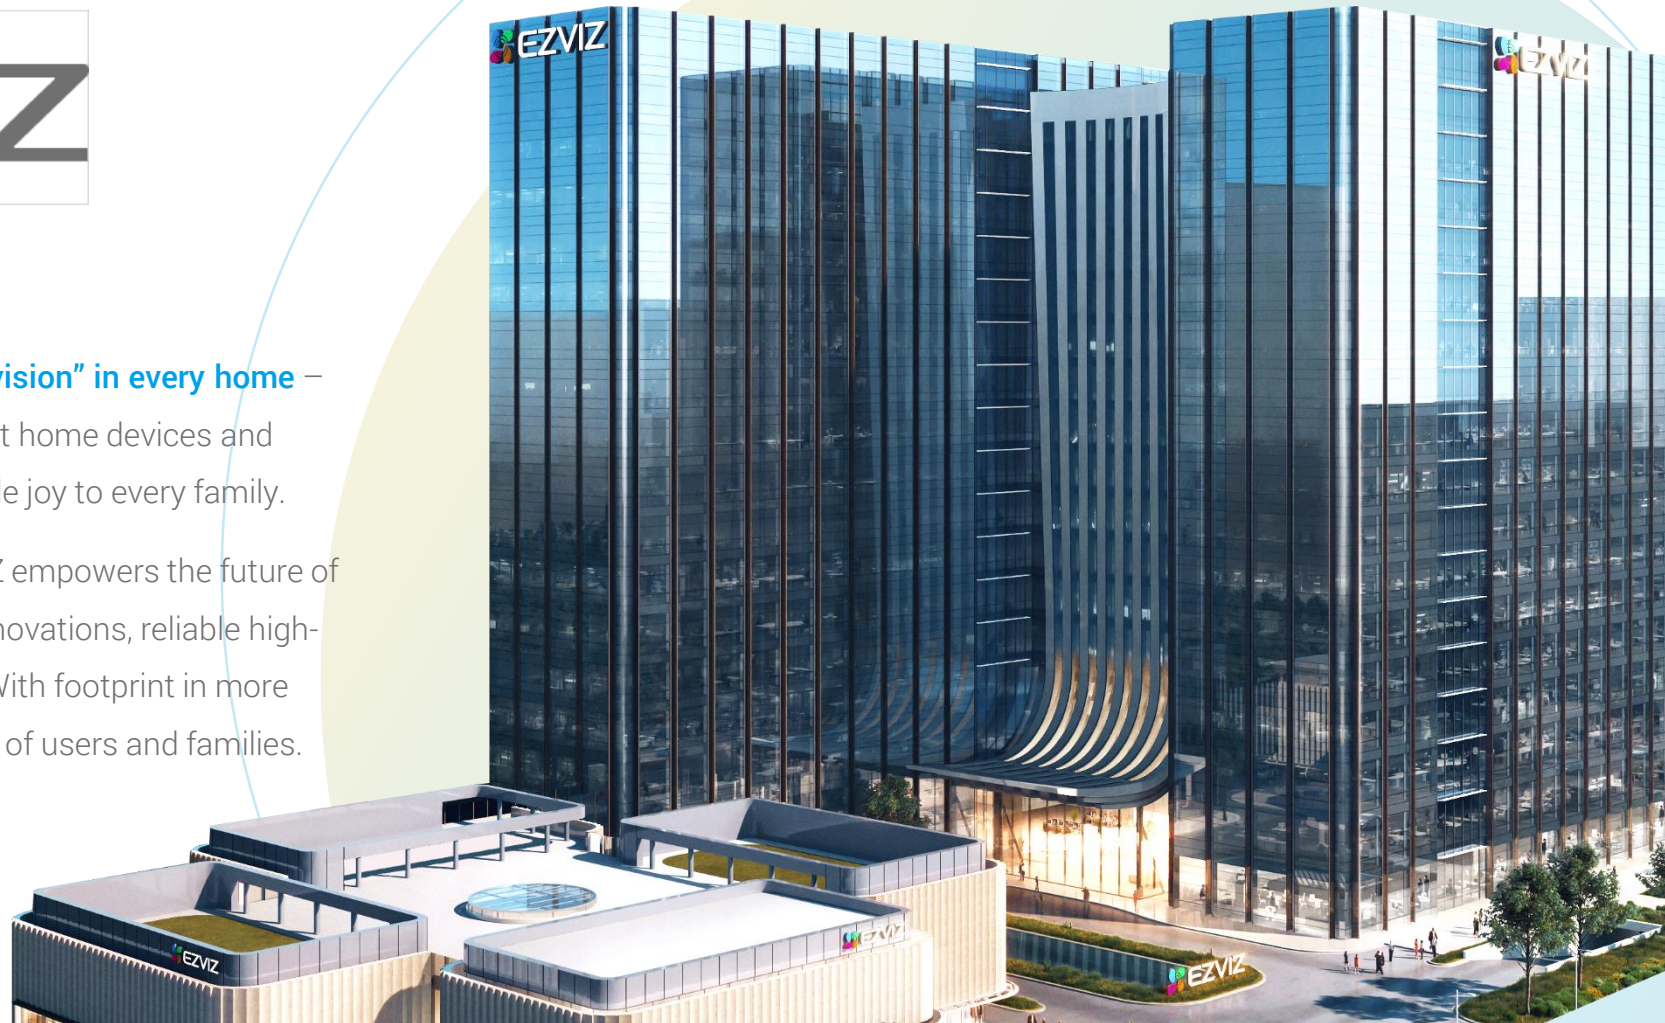

# What We Strive For

To create an easy, safe and smart life for everyone

**Mission**

**Vision**

To become a widely trusted brand of smart home technologies and services

Companionship is never easier

**Innovate with insights**

We are thinkers and rule-breakers.

**Achieve through actions**

We are builders and fast-movers.

**Persist for perfection**

We make small steps for big changes.

**Strive for the greater good**

We contribute to a better world.

**Values**

# Our Milestones

Ten years in the market, EZVIZ grows with great momentum, achieving both technological breakthroughs and business successes.

## 2018
**EZVIZ Smart Entry introduced**
- Exciting debut of the first smart door viewer DP1, which won CES 2018 Innovation Award

## 2019
**EZVIZ Smart Home Strategy announced**
- Expanded brand blueprint from smart home security to a smart home ecosystem and future-driven AIoT

## 2020 100M+
**100 million connected devices**
- Enhanced smart home offering with air purifier, smart plugs, smart lighting and smart lock

## 2021
**EZVIZ Smart Home progressed**
- Won 4 product design awards from Red Dot and iF Design
- Launched next generations of AI-powered cameras

## 2022 IPO
**EZVIZ went public**
- Became officially listed on the Shanghai Stock Exchange
- Strong debut of the smart cleaning series in the global market

## 2013 EZVIZ Security Video For Smart Life
**EZVIZ brand established**
- Hot market debut with the first Wi-Fi Home Camera C1, which won Red Dot Design Award

*EZVIZ's very first, award-winning Wi-Fi Home Camera C1*

## 2014
**EZVIZ App went live**
- Launched strategic plan to build one-stop solution for whole-home easy security

## 2015
**EZVIZ Cloud Platform in operation**
- Expanded business footprint to countries across the globe

## 2016 10M+
**10 million users & connected devices**
- Initiated plan in empowering smart housing

## 2017 20M+
**20 million users & connected devices**
- Awarded with ISO27001 International Information Security Standard

**Leadership & Brand Presence**

# A Global Leader in Smart Home Tech

## Relentless Tech Innovations

EZVIZ is a proud leader in smart security technology and is constantly innovating to build new generations of connected devices. Intelligent video, cloud computing and AI empower us to excel at what we do.

## User-Centered Product Designs

All EZVIZ products are thoughtfully designed in the pursuit of premium quality, visual pleasure and seamless user experience. Our in-house design team has won multiple prestigious design awards.

## Intelligent Manufacturing

We own two large manufacturing plants to ensure every piece of hardware undergoes EZVIZ's strict quality control, and to support the fast-growing global business with a strong and stable supply chain.

## Security-First Approach

Security is rooted in EZVIZ's company culture, and we build every product responsibly. We are honored to help you build a carefree smart home through trustworthy services and technologies.

# Relentless Tech Innovations

At EZVIZ, innovation happens every day. The company invests heavily in its in-house R&D team. Nearly 30% of our employees are engineers.

*Well-developed, well-tested R&D system*

## Intelligent video

With video technologies at its core, EZVIZ strives to build devices with vivid, sharp vision.

- 2K/3K/4K Video
- Dual-lens Video Processing
- Panoramic Image Stitching
- Video Structuring
- Video and Multidimensional Perception Technology
...

## Cloud platform

EZVIZ provides an open cloud platform for secure, seamless, smooth user experience and convenience.

- Cloud Computing
- Open Cloud Platform
- Cloud Storage & Services
...

## Cutting-edge AI capabilities

Many EZVIZ products are equipped with on-device AI chips to enable smart detection and automated controls.

- Computer Vision
- Machine Vision & Motion Control
- Audio AI Technology
...

## Connectivity technology

EZVIZ facilitates whole-home automation with technologies of IoT connectivity and real time-capable network.

- IoT Multi-Device Connectivity Technology
- Network Protocols
- Wireless Home Automation
...

**EZVIZ Visual IoT**

# User-centered Product Designs

EZVIZ seeks to bridge advanced technologies with everyday life through effective product designs. We build products that are ready for the real world to provide good user experience.

# Real #EZVIZMoments Shared by Our Community
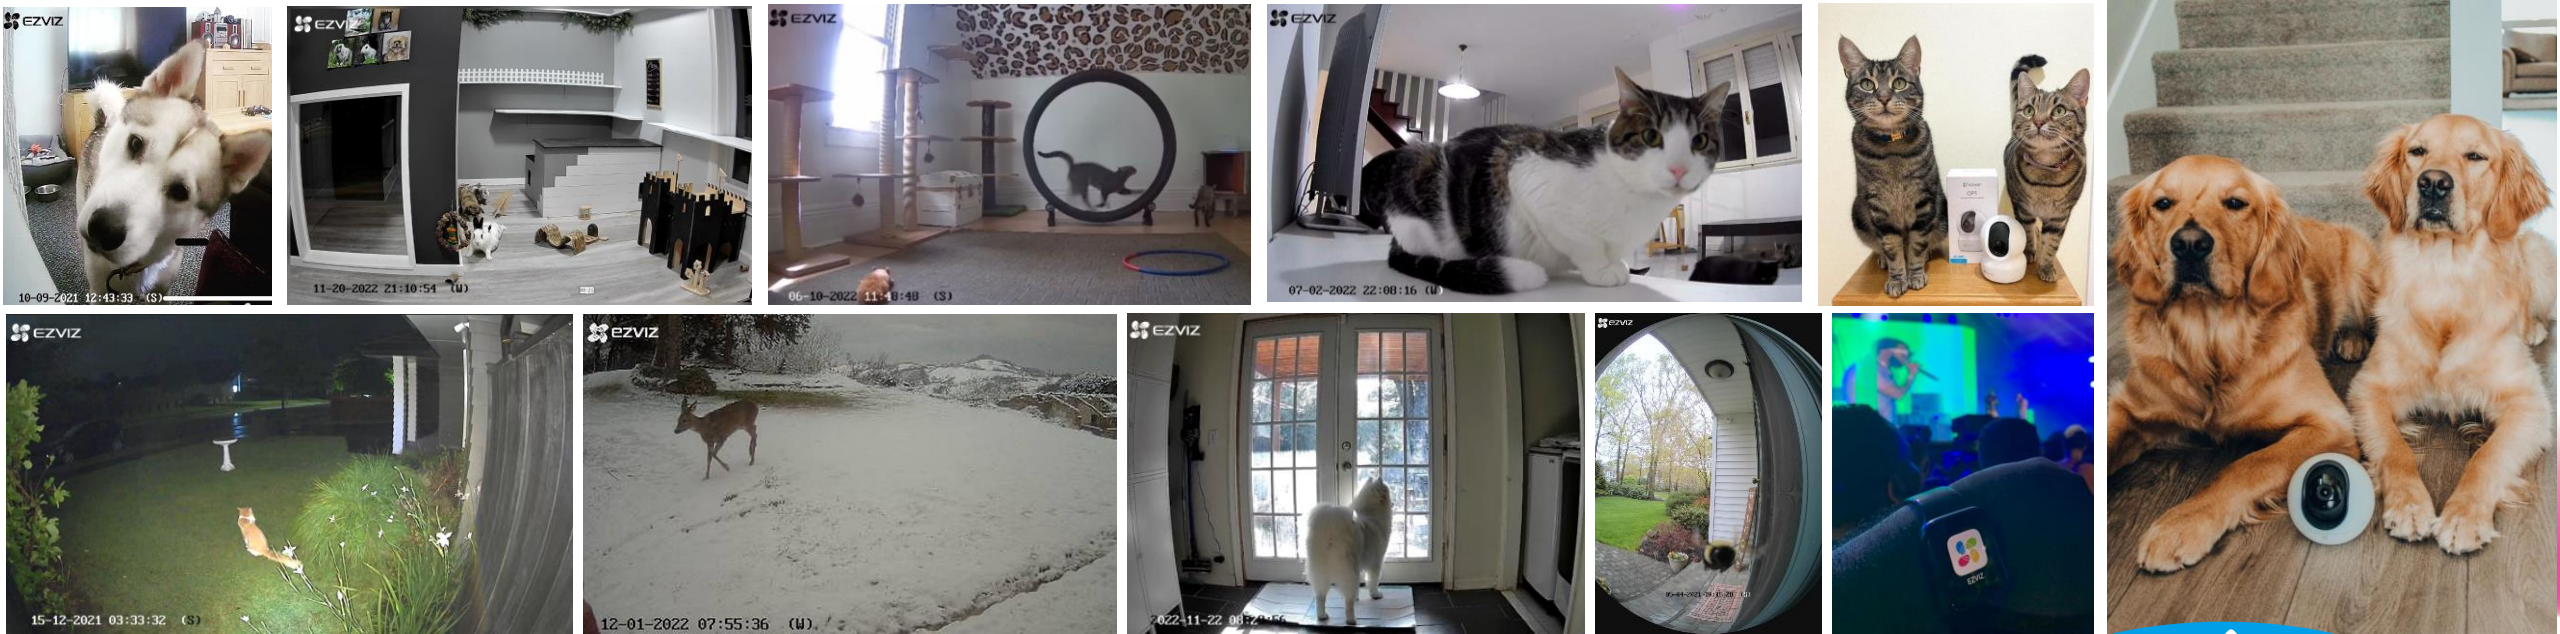

**Epecho**

7/28/2020

*I've had quite a few EZVIZ cameras and I'm a big fan. The cameras are excellent with super easy setup. They have clear video quality and come with full color vision at night. When I use EZVIZ cameras to take photos of my dog, they even deal with the background overexposures pretty well. I like that they have cloud storage but you can also use a microSD card. The new version of the app is good and you can also pull these cams up on your Alexa Show.*

# For the Front Door

## Video Doorbells

EZVIZ doorbell series facilitate easy communication and provide extra home protection, and they are sleek in design to harmonize with any home style. You can choose from either wired options for non-stop power, or the super easy-to-install battery doorbells if you move often and live in apartments.

Two Color Options
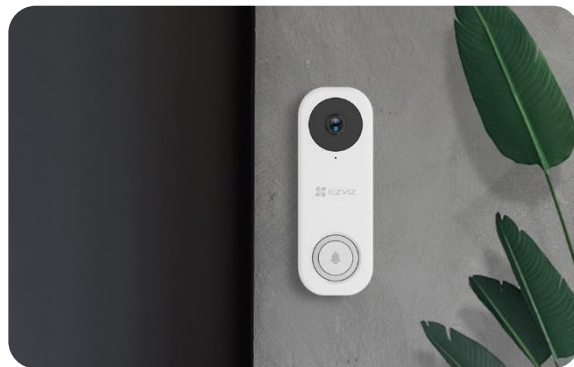

### DB1 Wired Series
Non-stop power
for long-lasting performance

- 1080p / 2K⁺ resolution
- AI-powered human shape detection
- AI-powered vehicle shape detection*
- Head-to-toe field of view
- Dual-band Wi-Fi
- Weatherproof design

*Only applies to certain models.

### DB2 Battery Series
Flexible to fit any home

- 1080p / 2K / 2K⁺ resolution
- Sold in kit with free Wi-Fi chime included
- Up to 115-day battery life
- Energy-saving mode*
- Head-to-toe field of view
- Smart human motion detection
- Anti-tamper alarm
- Weatherproof design*

*Only applies to certain models.

# For the Front Door

## Smart Door Viewers

EZVIZ builds the two-in-one camera and doorbell to upgrade a door's peephole with a clear, wide field-of-view, and facilitates real-time communications and remote controls.

### DP2 / DP2C
Enjoy visible security anytime

- 1080p video clarity
- Ultra-wide field of view with night vision
- Up to 90-day battery life
- 4.3-inch color screen
- Touchable monitor screen controls*
- Built-in doorbell
- PIR motion detection

*Only applies to DP2.

## Smart Home Video Doorphone

Upgrade your old intercom to be internet-connected, remotely accessible and app controllable. Villa and big house owners can view, talk, and grant access to visitors even if they're away, and enjoy greater peace of mind.

### HP7
A connected choice for smarter access

- 2K video clarity with IR night vision
- 7-inch color touch screen
- Remote door/gate unlock
- 2-wire installation
- Smart human motion detection
- Smart RFID unlock (3 tags included)
- 3 name cards included

# For the Front Door

## Smart Door Locks

EZVIZ's Smart Door Locks refine the front door of a modern smart home with keyless, elegant access, while adding an extra layer of protection to make the home a safer place. From accessible DIY options to high-tech selections, EZVIZ is committed to safeguarding homes at any budget level.

### DIY Smart Lock & Keypad
An easy way to upgrade your front door

- Easy DIY installation on existing deadbolt
- Smartphone unlocking
- Passcode/Proximity card unlocking
- Built-in doorbell on the keypad
- Easy control via EZVIZ App
- Works with A3 Gateway for further connectivity

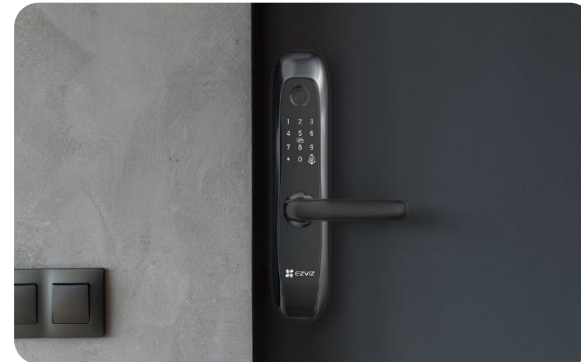

### Fingerprint Lock | L2 & L2S
Keyless access with reliable protection

- Four unlock methods
- Supports temporary access codes*
- Remote status viewing & unlock via EZVIZ App*
- Built-in doorbell
- Anti-tamper alarm
- Up to 10-month battery life (Low battery alert)

*Only applies to certain models.*

# For Care in the House

## Indoor Pan & Tilt Cameras

Don't miss a thing with the 360° vision that the EZVIZ indoor PT camera provides. Check home activities at any time, get alerts on important moments, and speak whenever someone needs to hear you. Always be there for your kids and pets and know how they spend their day.

### PLUS Selections   C6 / C6W / E6

#### Protection made easy and enjoyable

- 2K⁺ / 3K video in 360°

# Smart Home Appliances

## Home Mesh

With EZVIZ's whole-home mesh, you can build a robust home Wi-Fi that even numerous connected devices won't slow down network speeds.

## Smart Screen

If you own a complex smart security system at home, use the smart screen to optimize and simplify the whole control and management process.

### W3R

#### Fast, stable Wi-Fi for your home

- Fast Wi-Fi 6 rates (up to 1,800 mbps)
- Seamless roaming by EZVIZ easy mesh technology
- A unified whole-home network (up to 150m²)
- Smart home accelerator (up to 128 devices)
- Supports dual-band Wi-Fi 6 (2.4 & 5 Ghz)
- Enhanced EZVIZ camera streaming
- 256 MB running memory

### SD3

#### A multi-purpose monitor to see, manage & store

- 3-in-1 display, control hub & video storage
- Multi-purpose security/computer monitor
- 21.5-inch LCD screen
- Connects up to 8 security cameras
- Supports SSD storage (up to 1TB)
- Supports Wi-Fi / wired / AP connection
- H.265 video technology
- Remote controls via EZVIZ App

# Smart Home Appliances

## Smart Plugs

Make your ordinary, everyday devices smarter with remote controls. By using EZVIZ's smart plugs, you'll be able to turn on and off your lights and appliances from wherever you are.

### No more worries on your left-on lights

- Electricity statistics*
- Energy-saving
- Remote app control
- Power timer
- 750°C flame retardant

*Only applies to certain models.

## Air Purifiers

It's time to make stay-at-home life healthier and more comfortable. With the air purifiers, you can say goodbye to seasonal allergies and breathe in safe air.

### Cleaner air keeps you healthy and energized

- Covers large rooms
- Three- or four-stage filtration
- UV-C radiation (254 nm) for germicidal effect*
- Negative ion generation*
- HEPA filter
- Activated carbon filter
- Child lock safety design

*Only applies to certain models.

# Portable Power

## Power Stations

On your next outdoor adventure, take EZVIZ's latest Portable Power Stations with you and say goodbye to battery anxiety. When your home electricity goes out, you can also have the emergency power you need. Compact and light-weight to use anywhere, they give you reliable power whenever you need.
